The Honorable Jim Justice
Governor, State of West Virginia
State Capitol Building
1900 Kanawha Boulevard, East
Charleston, WV 25305

Dear Governor Justice:

On behalf of the West Virginia State Board of Registration for Professional Engineers, we are pleased to provide you with our FY2021 Annual Report. This report is hereby submitted in compliance with mandates of the statutory requirements of W.Va. Code §30-1-12(b).

In order to safeguard life, health and property and to promote the public welfare, the practice of engineering in this state is declared to be subject to regulation in the public interest. The WV PE Board is charged with the administration and enforcement of the provisions of W.Va. Code §30-13 governing the practice of professional engineering. Enclosed is the Board's certified Annual Report covering fiscal years 2020-2021, including required documentation of agendas, minutes, receipts, disbursements, rosters and a listing of filed complaints. As always, all information contained within this report, as well as other relevant applicant and examinee information, is accessible 24 hours a day, 7 days a week, via our website at www.wvpebd.org.

With the COVID-19 global pandemic taking place during the years covered by this report submission, it has been admittedly challenging times for the State of West Virginia, our country and the world around us. However, the year of 2021 has also brought about other historic, but yet exciting and celebratory, times for our Board, our staff and our agency. The year of 2021 marks the centennial celebration of the West Virginia State Board of Registration for Professional Engineers and providing 100 years of remarkable service protecting the lives of West Virginians. Specifically, the following dates were of key significance:

- On July 27, 2021, the Board celebrated their 100th Anniversary of existence. Per WV Legislative Act effective July 27, 1921, under Governor Ephraim Franklin Morgan, the WV PE Board was formed.
- On November 21, 2021, the WV State Board of Registration for Professional Engineers celebrates the 100th Anniversary of their first meeting. The WV PE Board first convened an official meeting on November 21, 1921 at 10am in the Coyle and Richardson Building, Charleston, WV.

Despite the pandemic, the Board and its staff have been able to work efficiently and effectively to continue its mission of protecting the health, safety and welfare of the citizens of our state and meet the needs of all of our professional engineers both in West Virginia as well as those outside the state's geographic borders.

In closing, please recognize that the WV State Board of Registration for Professional Engineers will continue to strive to provide superior service to the engineering students, the engineering professionals, and the citizens of our great state! Should you have any comments or questions regarding the content of this report, please do not hesitate to contact our office.

Sincerely,

Lesley L. Rosier-Tabor, P.E.

RECEIPTS & DISBURSEMENTS

The West Virginia Board of Registration for Professional Engineers is self-supporting, and operates on the collection of license application fees and renewals rather than appropriated funds. Receipts collected by the WV PE Board are deposited into a Special Revenue Fund at the Office of the Treasurer, and the expenses of the Board are disbursed from this fund. A statement of the total receipts and disbursements of the Board for FY 2020 and FY 2021 are shown on the following pages. All civil penalties (fines) paid as a result of a disciplinary action are not retained by the Board but rather deposited directly into the General Fund for the State of West Virginia.

All revenue received by the WV State Board of Registration for Professional Engineers is generated in accordance with WV Engineering Law (WV Code Chapter 30-13 and Legislative Rule 7-1-13.4) as outlined in the Fee Table provided below. Additional monies deposited by this agency that could appear in the revenue total from year to year include nominal FOIA copy charges and directly reimbursed Administrative Costs resulting from resolution of a complaint. Daily itemized deposits by revenue type are available for review and all expense disbursements are processed by Object Code in WVOASIS.

General Session Minutes
State Board of Registration for Professional Engineers
July 28, 2020

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Tuesday, July 28, 2020. Those present for all or part of the meeting were:

Bhajan S. Saluja	President
Garth E. Thomas	Vice-President
Larry C. Nottingham	Secretary
Edward L. Robinson	Member
LA Gates	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Edward Eagloski	Board Counsel

The meeting was called to order at 9:05am. The Board met in a larger conference room on the 11th floor of the office building to ensure social distancing. The Board meeting minutes for May 19, 2020 were reviewed. A motion to approve the minutes was made by Dr. Nottingham, seconded by Mr. Thomas. Motion carried.

The Board budget summaries for May and June 2020 were received and reviewed, and the Board reviewed the PCard transactions for the months of May and June. Ms. Rosier discussed the FY 2020 budget report noting the year-end balance will decrease next year due to lower revenue stream for the PE renewal cycle at the end of the 2020 calendar year. In addition, the Board will also experience the reduction in COA renewal revenue during the latter part of the 2021 calendar year based on recent legislative fee changes.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Mr. Robinson, seconded by Dr. Nottingham. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Ms. Rosier reminded the Board that NCEES cancelled the April PE exam administration and all examinees received an expeditious and full refund.
- Ms. Rosier reported that the required 2020 Annual Licensing Board Seminar conference will be held at a different location this year on October 27, 2020. The Board was provided an update on the attendance records of Board members over the last several years. Attendees for this year's event will be discussed at the September Board meeting.
- Ms. Rosier reported that the 2020 NCEES Annual Meeting will be virtual and held via webcast on August 27th at 5:30pm.

- Ms. Rosier reported that 66 examinees have registered directly with NCEES for the October PE exam as of July 21. The deadline to register is August 20, 2020.
- Ms. Rosier reported that the required 2020 State Purchasing Card training will take place in August at Canaan Valley. However, they have provided a virtual option due to the COVID-19 safety concerns and both she and Sue Rubenstein, Board Administrator, will be participating via live stream from the Board office.

A motion was made by Mr. Robinson, seconded by Dr. Nottingham, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of complaints C2020-17, C2020-22, C2020-23, C2020-24, C2020-25, C2020-26, C2020-28, C2020-29, C2020-30, and C2020-31. The consent orders will be posted on the Board's website within a reasonable time.

Mr. Thomas made a motion to enter into Executive Session at 9:28am, seconded by Mr. Gates. Motion carried.

The Board recessed the Executive Session at 10:52am and subsequently held an Informal Conference. C2020-20 Respondent appeared before the Board for an Informal Conference at 11:00am. At the conclusion of the Informal Conference, Mr. Robinson made a motion, seconded by Mr. Gates to resume the Executive Session at 11:30am. The motion carried. At 11:42am, the Board recessed the Executive Session for a working lunch and the Board watched the required driver safety video produced by the WV Office of the Insurance Commissioner for purposes of the BRIM Risk Management, Safety and Loss Control documentation. After lunch the Board met with a reinstatement applicant to discuss his reinstatement application and then continued the Executive Session. At 2:00pm, Dr. Nottingham made a motion, seconded by Mr. Robinson, to move into General Session. The motion carried, and the Board took the following action:

- Mr. Robinson made a motion, seconded by Mr. Thomas, to dismiss C2020-20. Motion carried.

The Board acted upon the special case files as follows:

- Mr. Robinson made a motion, seconded by Dr. Nottingham, to approve the PE comity application for Fred Dally. Motion carried.
- Mr. Gates made a motion, seconded by Mr. Robinson, to approve the reinstatement application for Daniel Metheny. Motion carried.
- Mr. Robinson made a motion, seconded by Mr. Gates, to approve the PE comity application for Bipin Patel. Motion carried.

The Board reviewed a report of the NCEES Board of Directors meeting, which was held on June 12, 2020.

The Board reviewed the 2020 NCEES Annual Meeting agenda and discussed the essential Council business concerning the elections and motions. The Board directed the Executive Director to scan and email the completed ballot to NCEES prior to the July 31, 2020 deadline. Ms. Rosier indicated the Board office could be open on the evening of August 27th if any Board members would like to gather for viewing of the virtual meeting. However, all Board members agreed that was not necessary and they would plan to log in and participate remotely.

The Board reviewed the October 2020 PE Exam Updates and the CBT transition schedule.

The Board reviewed the 2020 Regulatory Reform Review request as well as the official Board correspondence responsive to the legislative request which was submitted on June 10, 2020. In addition, the Board reviewed the 2020-2021 WV Legislative Interim Committee Study Topics relevant to Chapter 30 Boards, as well as the draft Board response due prior to the September 1st deadline. No additional comments or changes were provided.

The Board reviewed the required BRIM Loss Control Questionnaire and the annual Safety Committee meeting documentation in accordance with BRIM's Standards of Participation letter dated May 27, 2020. In addition, the Board provided staff with their signed confidentiality statements for inclusion in the annual BRIM submission and the Board reviewed the current COVID-19 protocols and protective measures affecting the agency and state government activities.

Ms. Rosier presented the current records retention policy updates. Upon motion by Mr. Gates, second by Mr. Robinson, the Board voted to approve the agency's records retention and disposal schedule as presented. Motion carried.

Ms. Rosier discussed the Board observer requirements for the upcoming ABET visit. The one university program visit required this year will be modified to take place in a virtual environment in January 2021. Multiple board members expressed they would be unable to participate due to potential conflicts of interest and the remaining Board members agreed to check their schedules for consideration.

The Board reviewed multiple inquiries concerning the 30-hour continuing education requirement for the upcoming PE license renewal window. After a detailed discussion, the Board chose to take no action concerning the 30 PDH requirement at this time.

The Board reviewed updated agency forms and performance measures. Upon Dr. Nottingham's motion, and Mr. Gates' second, the Board voted to approve the updated forms and performance measures as presented. Motion carried. The Board directed Ms. Rosier to post the updated forms and performance measures to the website within a reasonable timeframe.

The Board reviewed the latest edition of the Professional Licensure Report (PLR).

Ms. Rosier discussed the Board's upcoming newsletter needs and informed the participating Board members that articles should be submitted no later than September 30, 2020. The 2020 InterChange newsletter is scheduled to be printed in October and disseminated in November, accompanying the PE renewal notification mailing.

Dr. Nottingham made a motion to keep all officers in place for the upcoming year. Mr. Gates seconded the motion and the motion carried. As such, Mr. Saluja will remain Board President, Mr. Thomas will remain Board Vice-President, and Dr. Nottingham will remain as Secretary.

The Board reviewed the upcoming 2020 Calendar of Events and noted the many changes due to the COVID-19 cancellations and restrictions.

Upon motion by Mr. Robinson, seconded by Dr. Nottingham, the Board voted to adjourn the meeting at 2:50pm. The next Board meeting will be September 22, 2020, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

Larry C. Nottingham	Secretary
Edward L. Robinson	Member
L.A. Gates	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Edward Eagloski	Board Counsel
Tiffany Coleman	Administrative Assistant

The meeting was called to order at 9:00am. The Board met in a larger conference room on the 11th floor of the office building to ensure social distancing. The Board meeting minutes for July 28, 2020 were reviewed. A motion to approve the minutes was made by Mr. Robinson, seconded by Mr. Gates. Motion carried.

The Board budget summaries for July and August 2020 were received and reviewed, and the Board reviewed the Pcard transactions for the months of July and August. Ms. Rosier discussed the FY 2021 budget report noting the beginning of a new fiscal year and discussed anticipation of a lower revenue stream for the PE renewal cycle at the end of the 2020 calendar year. In addition, Ms. Rosier discussed the FY 2022 Appropriations Request submission and presented the new required OASIS performance measures.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Dr. Nottingham, seconded by Mr. Gates. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Ms. Rosier reminded the Board that as of April 1, 2020, all PE applicants now register directly with NCEES and apply to the WV PE Board only after passing the PE exam.
- Ms. Rosier reported that the required 2020 Annual Licensing Board Seminar conducted by the WV State Auditor will be held as a virtual event and that the video conference information will be disseminated as it becomes available.
- Ms. Rosier reported that the 2020 NCEES Annual Meeting was successfully completed via webcast on August 27, 2020.
- Ms. Rosier reported that 92 examinees registered directly with NCEES for the October PE exam in West Virginia. Of the 92 registered, 14 have cancelled or

elected to be transferred to a 2021 exam administration, resulting in 78 examinees remaining.

- Ms. Rosier reported that the Electrical PE exam will be offered as CBT beginning January 2021 and that NCEES has added an additional regional administration for the Civil PE exam on January 26, 2021. Furthermore, the NCEES Board President's Assembly (BPA) will likely be moved to a complete virtual event due to a majority of State Boards' inability to travel out of state.

A motion was made by Dr. Nottingham, seconded by Mr. Gates, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of complaints C2020-20, C2020-21, and C2020-32. The consent orders will be posted on the Board's website within a reasonable time.

- Mr. Thomas made a motion, seconded by Dr. Nottingham, to file an injunction in Kanawha County circuit court related to I2021-09 and authorized staff to utilize the Pcard for the filing fee, up to an amount not to exceed $500. Motion carried.

The Board acted upon the special case files as follows:

- Dr. Nottingham made a motion, seconded by Mr. Gates, to approve the PE comity application for Carl Petrus. Motion carried.
- The Board took no action on the special case file concerning James Ouellet.
- Dr. Nottingham made a motion, seconded by Mr. Thomas, to deny the DBA Waiver for RedZone Design, LLC. Motion carried.

The Board reviewed the summary of actions for the 2020 NCEES Annual Meeting virtually held on August 27, 2020.

The Board reviewed the meeting report from the virtual MBA Town Hall Meeting held on August 11, 2020.

The Board reviewed the September 2, 2020 NCEES request for Board visitors during the October 22-23, 2020 PE Exam Administration. Being that no Board members were available to visit the exam administration, Ms. Rosier volunteered to observe the Charleston, WV exam administration on October 22, 2020.

The Board reviewed the agency response dated August 20, 2020 regarding the Joint Committee on Government Organization request for information.

Ms. Rosier discussed the Board observer request for the upcoming ABET visit. The one university program visit required this year will be modified to take place in a virtual environment in January 2021. Due to scheduling issues and potential conflicts of interest, no Board members are able to attend. Ms. Rosier reported that she responded to ABET indicating the Board's sincere appreciation for continuing to extend the invitation and opportunity to participate.

The Board reviewed correspondence concerning professional licensure disclosures for colleges.

The Board reviewed the updated COA DBA Waiver tracking spreadsheet and responses. Ms. Rosier indicated staff would send one final letter to those firms that have yet to respond and provide a summary of results during the Board's next meeting.

Ms. Rosier discussed the 2021–2022 PE and Retired PE renewal game plan, highlighting that staff will mail the required renewal notices on or about November 27, 2020. Additionally, the Board reviewed correspondence regarding PDH and continuing education issues received on August 9, 2020.

The Board reviewed the latest editions of the Professional Licensure Report (PLR).

The Board reviewed the fall 2020 InterChange newsletter publication proof and commended Ms. Rosier and staff on creating such a fine product. The newsletter is scheduled to be printed in October and disseminated in November, accompanying the PE renewal notification mailing. A copy of the new Engineering Law booklet, reflecting legislative changes effective April 1, 2020, will also be disseminated to all Active and Retired PEs via this mailing.

The Board reviewed the FY2020 Annual Report, which will be filed prior to December 31, 2020.

The Board reviewed the upcoming 2020 and 2021 Calendar of Events and noted the many changes due to COVID-19 cancellations and restrictions.

Upon motion by Mr. Robinson, seconded by Mr. Gates, the Board voted to adjourn the meeting at 1:40pm. The next Board meeting will be November 17, 2020, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

Garth E. Thomas	Vice-President
Larry C. Nottingham	Secretary
Edward L. Robinson	Member
L.A. Gates	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Edward Eagloski	Board Counsel
Tiffany Coleman	Administrative Assistant

The meeting was called to order at 9:00am. The Board met in a larger conference room on the 11th floor of the office building to ensure social distancing. The Board meeting minutes for September 22, 2020 were reviewed. A motion to amend the draft minutes was made by Dr. Nottingham, seconded by Mr. Thomas. Motion carried. A motion to approve the minutes as amended was then made by Dr. Nottingham, seconded by Mr. Thomas. Motion carried.

The Board budget summaries for September and October 2020 were received and reviewed, and the Board reviewed the Pcard transactions for the months of September and October. Ms. Rosier reported a $1.41M ending balance prior to the PE renewal season. Ms. Rosier discussed recent updates by the WV State Treasurer's Office moving to a new EPay/EGov platform and that there is one more round of beta testing to ensure the Board's renewal system remains compatible with the new payment gateway.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Dr. Nottingham, seconded by Mr. Gates. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Ms. Rosier reported that she and Board Administrator Sue Rubenstein participated in a number of virtual trainings/seminars hosted by the WV State Auditor's Office and the Purchasing Division since the last Board meeting.
- Ms. Rosier reminded the Board that as of April 1, 2020, with implementation of 2020 legislative "decoupling" changes, all PE applicants now register directly with NCEES and apply to the WV PE Board only after passing the PE exam.
- Ms. Rosier reported that staff conducted a successful WVSPE / ASCE-Northern Branch training seminar via Zoom on October 21, 2020.

- Ms. Rosier reported that 78 examinees registered directly with NCEES for the October PE paper-and-pencil exam administration in West Virginia. Examinees were tested over a 2-day period in Fairmont (32) and Charleston (46) to ensure proper COVID 19 protocols and social distancing.
- Ms. Rosier reported on her attendance as an observer for the first day of the paper-and-pencil PE exam testing at the Four Points Sheraton testing site in Charleston, WV on October 22, 2020.
- The Board reviewed the Performance Evaluation & Research Division's Regulatory Board Review policy concerning the required State Auditor's seminar attendance for Board members continuing to serve on expired terms.
- Ms. Rosier reported the required 2020 Annual Licensing Board Seminar hosted by the WV State Auditor was successfully conducted as a virtual event on October 27, 2020. President Saluja, Mr. Eagloski, and 3 staff members participated in this all-day meeting.
- The Board reviewed the 2021 NCEES Board Presidents' Assembly agenda to be held virtually on January 29, 2021.

A motion was made by Dr. Nottingham, seconded by Mr. Gates, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of complaints C2020-27, C2021-01, and C2021-05. The consent orders will be posted on the Board's website within a reasonable timeframe.

Mr. Robinson made a motion to enter into Executive Session at 9:30am, seconded by Mr. Thomas. Motion carried.

It is noted that Mr. Robinson left the room at the appropriate times as to not be part of any discussion or decision making relative to I2021-05 and I2021-11. At 11:40am, Mr. Robinson made a motion, seconded by Mr. Thomas, to move into General Session. The motion carried, and the Board took the following action:

- Mr. Gates made a motion, seconded by Mr. Thomas, to move I2021-11 to complaint. Motion carried. Furthermore, Mr. Gates made a motion, seconded by Mr. Thomas, to receive and file complaint C2021-10, and set said complaint for a hearing on 5/17/21. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Thomas, to dismiss C2021-06. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Robinson, to move I2021-10 to complaint. Motion carried. Furthermore, Dr. Nottingham made a motion, seconded by Mr. Robinson, to receive and file complaint C2021-08, and set said complaint for a hearing on 5/17/2021. Motion carried.
- Mr. Robinson made a motion, seconded by Dr. Nottingham, to move I2021-12 to complaint. Motion carried. Furthermore, Mr. Robinson made a motion,

seconded by Dr. Nottingham, to receive and file complaint C2021-09, and set said complaint for a hearing on 5/17/2021. Motion carried.

- Regarding I2021-09, Mr. Robinson made a motion, seconded by Dr. Nottingham, to authorize counsel to sign and file the agreed order in Kanawha County Circuit Court. Motion carried.

The Board acted upon the special case files as follows:

- Mr. Robinson made a motion, seconded by Mr. Gates, to approve the PE comity application for John Andrzejczek. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Robinson, to approve the PE comity application for David DeLoach. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to approve the PE comity application for Clifford Runkel. Motion carried.

The Board reviewed the 2020-2021 NCEES National Service Awards call for nominations and the Executive Director reminded that Board that the nominations are due no later than January 31, 2021.

The Board reviewed the most recent Alliance for Responsible Professional Licensing (ARPL) publication. Ms. Rosier shared that NCEES has taken a lead in this organization and has also hired new staff to serve as an advocacy and external engagement strategist and to monitor state legislative activities.

Ms. Rosier updated the Board on the January 2021 Regional PE Civil Exam administration and noted that due to decoupling and unique COVID circumstances, this exam administration will be accepted for initial licensure in West Virginia.

The Board reviewed the NCEES 2021 PE exam changes and CBT transition update.

The Board reviewed staff correspondence with the Committee on Government Organization staff concerning an interim study related to licensing of various professions in other states.

Ms. Coleman provided an update on the DBA Waiver Project Report and presented the updated large, printed Excel spreadsheet for Board review. Staff plan to finalize the project and send official DBA Waiver results to the WV Secretary of State business licensing division in the next 30 days.

Ms. Rosier reported successful testing and integration of the PE online renewal system. Additionally, Ms. Rosier discussed the 2021–2022 PE and Retired PE renewal game plan, highlighting that staff will mail the required renewal notices on November 27, 2020.

The Board reviewed the latest edition of the Professional Licensure Report (PLR).

The Board reviewed various professional association publication updates including the American Society of Civil Engineers (ASCE), Council for Licensure, Enforcement, and Regulation (CLEAR), and the National Society of Professional Engineers (NSPE).

The Board reviewed the fall 2020 InterChange newsletter publication final copy. The newsletter is scheduled to be mailed on November 27, 2020, accompanying the PE renewal notification mailing. A copy of the new Engineering Law booklet, reflecting legislative changes effective April 1, 2020, will also be disseminated to all Active and Retired PEs via this mailing.

The Board reviewed the upcoming 2021 Calendar of Events, noting the many changes due to COVID-19 cancellations and restrictions.

Upon motion by Dr. Nottingham, seconded by Mr. Robinson, the Board voted to adjourn the meeting at 1:00pm. The next Board meeting will be January 19, 2021, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

General Session Minutes
State Board of Registration for Professional Engineers
January 19, 2021

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Tuesday, January 19, 2021. Those present for all or part of the meeting were:

Bhajan S. Saluja	President
Garth E. Thomas	Vice-President
Larry C. Nottingham	Secretary
Edward L. Robinson	Member
L.A. Gates	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Edward Eagloski	Board Counsel
Tiffany Coleman	Administrative Assistant

The meeting was called to order at 9:00am. Mr. Gates participated remotely via teleconference. The Board met in a larger conference room on the 11th floor of the office building to ensure social distancing. The Board meeting minutes for November 17, 2020 were reviewed. A motion to approve the minutes was made by Dr. Nottingham, seconded by Mr. Robinson. Motion carried.

The Board budget summaries for November and December 2020 were received and reviewed, and the Board reviewed the Pcard transactions for the months of November and December. Ms. Rosier reported a $1.88M balance at the end of calendar year 2020. Ms. Rosier reminded the Board members that the December revenue spike and high end of year balance was due to 8,000+ PE and Retired PE license renewals being received in December 2020.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Mr. Robinson, seconded by Dr. Nottingham. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Ms. Rosier reported that there were 544 active PEs and 31 retired PEs yet to renew.
- Ms. Rosier reminded the Board that as of April 1, 2020, with implementation of 2020 legislative "decoupling" changes, all PE applicants now register directly with NCEES and apply to the WV PE Board only after passing the PE exam.
- Ms. Rosier reported a 47.1% overall pass rate for the October PE examination, a significant decrease from previous administrations. There were 71 registered as WV examinees with NCEES and there was one absence (33 pass, 37 fail).

- Ms. Rosier reported there are 4 WV examinees registered with NCEES for the January 2021 regional administration of the Civil PE paper exam.
- Mr. Saluja inquired about the $9,465.00 and the $16,335.00 WV Correction Industries charges on the Pcard. Ms. Rosier directed the Board to the PCard documentation showing these charges were for the printing of 14,000 copies of the updated WV Engineering Law booklets and 15,000 color copies of the Board's InterChange newsletter printing, respectively.
- The Board reviewed the upcoming meeting participation schedule, which included the NCEES Board President's Assembly and the NCEES Northeast Zone meeting. Both meetings are planned to be held virtually.

A motion was made by Mr. Robinson, seconded by Dr. Nottingham, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of complaints C2021-02, C2021-06, and I2021-09. The consent orders will be posted on the Board's website within a reasonable timeframe.

Mr. Robinson made a motion to enter into Executive Session at 9:16am, seconded by Mr. Thomas. Motion carried.

At 11:30am, Dr. Nottingham made a motion, seconded by Mr. Thomas, to move into General Session. The motion carried, and the Board took the following action:

- Dr. Nottingham made a motion, seconded by Mr. Gates, to give the respondent in C2015-10 30 days to come into compliance with the Board order. If not in compliance, counsel shall begin collection procedures through the Circuit Court. Motion carried.
- Mr. Gates made a motion, seconded by Mr. Thomas, to move I2021-14 to complaint. Motion carried. Furthermore, Mr. Gates made a motion, seconded by Mr. Thomas, to receive and file complaint C2021-12, and set said complaint for a hearing on 7/19/2021. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Robinson, to move I2021-15 to complaint. Motion carried. Furthermore, Dr. Nottingham made a motion, seconded by Mr. Robinson, to receive and file complaint C2021-13, and set said complaint for a hearing on 7/19/2021. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Thomas, to move I2021-16 to complaint. Motion carried. Furthermore, Dr. Nottingham made a motion, seconded by Mr. Thomas, to receive and file complaint C2021-14, and set said complaint for a hearing on 7/19/2021. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to move I2021-18 to complaint. Motion carried. Furthermore, Mr. Thomas made a motion, seconded by Dr. Nottingham, to receive and file complaint C2021-15, and set said complaint for a hearing on 7/19/2021. Motion carried.

There were no special case files for the Board's review.

The Board reviewed the 2020-2021 NCEES Northeast Zone Distinguished Service Award call for nominations and the Executive Director reminded the Board that the nominations are due no later than February 16, 2021. Ms. Rosier also noted that NCEES Vice President Chris Duhamel asked her to serve as Chair of the 2021 Northeast Zone Awards Committee, which she agreed to.

The Board reviewed the NCEES Northeast Zone interim meeting information to be held virtually on May 20, 2021. Meeting details and officer election information should be available to the Board members for review during their March 2021 meeting.

Ms. Rosier provided an update concerning her work on the NCEES MBA Committee indicating that she has written a newsletter article for publication in the NCEES Licensure Exchange.

Mr. Thomas provided an update concerning his work on the NCEES Education Committee discussing the committee's review of Model Law, review of remote learning, review of the Washington Accord, and review of Engineering Technology as it pertains to Model Law.

Ms. Rosier updated the Board on the January 2021 Regional PE Civil Exam administration and the NCEES plan to accelerate the PE Civil Exam's move to CBT.

The Board reviewed the NCEES 2021 PE exam changes and CBT transition updates.

The Board reviewed the December 9, 2020 NCEES and Alliance for Responsible Professional Licensing (ARPL) presentation concerning Universal Licensure.

Ms. Rosier provided an update to the 2020 DBA Waiver project, noting that 8 firms were updated within the database as "DBA Waiver Invalidated" and that this information was provided to the Business and Licensing Division of the WV Secretary of State's Office.

The Board reviewed the latest edition of the Professional Licensure Report (PLR).

Ms. Rosier discussed the Ethics Commission Financial Disclosure Statement (FDS) and reminded all Board members that they must file said statement electronically prior to February 1, 2021.

Ms. Rosier reported that the 2021 West Virginia Construction and Design Exposition (EXPO) has been cancelled and that EXPO may plan an alternative program for 2021 with further information forthcoming.

The Board reviewed the 2021-2022 PE and Retired PE renewal updates. A total of 9428 PE renewals and 254 Retired renewal notices were mailed on November 27, 2020. Board staff are currently processing renewals submitted during the one-month grace period,

which will end on January 31, 2021 at midnight EST. Lapsed notifications and required audit notifications will be mailed during the first 2 weeks of February 2021.

The Board reviewed the upcoming 2021 Calendar of Events, noting the many changes due to COVID-19 cancellations and restrictions.

Upon motion by Mr. Robinson, seconded by Dr. Nottingham, the Board voted to adjourn the meeting at 11:50am. The next Board meeting will be March 23, 2021, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

General Session Minutes
State Board of Registration for Professional Engineers
March 23, 2021

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Tuesday, March 23, 2021. Those present for all or part of the meeting were:

Bhajan S. Saluja	President
Garth E. Thomas	Vice-President
Larry C. Nottingham	Secretary
Edward L. Robinson	Member
L.A. Gates	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Edward Eagloski	Board Counsel

The meeting was called to order at 9:03am. Dr. Nottingham participated remotely via teleconference. The Board met in a larger conference room on the 11th floor of the office building to ensure social distancing. The Board meeting minutes for January 19, 2021 were reviewed. A motion to approve the minutes was made by Mr. Robinson, seconded by Mr. Gates. Motion carried.

The Board budget summaries for January and February 2021 were received and reviewed, and the Board reviewed the P-Card transactions for the months of January and February. Ms. Rosier reported a $1.79M balance for the ending of February 2021, noting the marked increase in revenue due to 8500+ PE renewal payments and 240+ PE retired renewal fees received between November 20, 2020 and February 1, 2021. Mr. Robinson inquired about purchasing updated computer equipment and software for the Board's use.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Mr. Thomas, seconded by Mr. Robinson. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Ms. Rosier reported that there were 52 registered as WV applicants with NCEES as of March 4, 2021 for the April 2021 PE exam.
- Ms. Rosier reminded the Board that as of April 1, 2020, with implementation of 2020 legislative "decoupling" changes, all PE applicants now register directly with NCEES and apply to the WV PE Board only after passing the PE exam.
- Ms. Rosier reported a 66.7% overall pass rate for the unique regional administration of the Civil PE examination in January 2021, noting 3 individuals took the exam and 2 passed.
- Ms. Rosier reported on the successful completion of numerous virtual meetings and trainings in the last 2 months, presented by WV OASIS, Purchasing, PEIA, NCEES, ARPL, ASCE, etc.

- Ms. Rosier provided a status report on a number of special projects that she and staff have been working on during the winter months.
- Ms. Rosier reminded the Board to begin thinking about any newsletter article topics and to submit any ideas to her prior to the next Board meeting.

A motion was made by Mr. Thomas, seconded by Mr. Robinson, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of complaints C2021-03, C2021-04, C2021-07, C2021-08, C2021-09, C2021-10, C2021-12, and C2021-15. The consent orders will be posted on the Board's website within a reasonable timeframe.

Dr. Nottingham made a motion to enter into Executive Session at 9:34am, seconded by Mr. Gates. Motion carried.

At 11:50am, the Board recessed the executive session to conduct a working lunch. At 12:10pm, the Board resumed the executive session. At 12:25pm, Mr. Thomas made a motion, seconded by Mr. Gates, to move into General Session. The motion carried, and the Board took the following action:

- Mr. Thomas made a motion, seconded by Mr. Robinson, to file C2021-11. Motion carried. Furthermore, Mr. Thomas made a motion, seconded by Mr. Robinson, to set said complaint for a hearing on 9/22/2021. Motion carried.
- Mr. Robinson made a motion, seconded by Dr. Nottingham, to move I2021-13 to complaint. Motion carried. Furthermore, Mr. Robinson made a motion, seconded by Dr. Nottingham, to receive and file complaint C2021-17, and set said complaint for a hearing on 9/22/2021. Motion carried.
- Mr. Thomas made a motion, seconded by Mr. Gates, to move I2021-19 to complaint. Motion carried. Furthermore, Mr. Thomas made a motion, seconded by Mr. Gates, to receive and file complaint C2021-18, and set said complaint for a hearing on 9/22/2021. Motion carried.
- Mr. Robinson made a motion, seconded by Mr. Gates, to move I2021-20 to complaint. Motion carried. Furthermore, Mr. Robinson made a motion, seconded by Mr. Gates, to receive and file complaint C2021-19, and set said complaint for a hearing on 9/22/2021. Motion carried.
- Mr. Robinson made a motion, seconded by Mr. Thomas, to file C2021-16. Motion carried. Furthermore, Mr. Robinson made a motion, seconded by Mr. Thomas, to set said complaint for a hearing on 9/22/2021. Motion carried.

The Board acted upon the special case files as follows:

- Mr. Thomas made a motion, seconded by Dr. Nottingham, to approve the PE comity application for Thomas Baughman. Motion carried.

- Mr. Thomas made a motion, seconded by Dr. Nottingham, to approve the PE comity application for Julian Lineham. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to approve the PE reinstatement application for Andrew Nichols. Motion carried.

The Board discussed the Governor's COVID-19 updates, as well as Ms. Rosier's agency update, and reviewed the agency response to the Performance Evaluation and Research Division (PERD) Effects of Telework survey.

The Board reviewed the 2021 NCEES Board President's Assembly and Member Board Administrator meeting information conducted virtually on January 29, 2021. Ms. Rosier provided a detailed update of both meetings that she and the Board President attended virtually.

Ms. Rosier discussed the 2021 NCEES Northeast Zone interim meeting voting delegate notification and the Board reviewed a flyer for NE Zone member's candidacy for NCEES President-Elect.

Ms. Rosier announced the release of the 2021-2022 NCEES standing committee interest survey and reminded Board members to respond to the email if they were interested in committee participation. Additionally, the Board reviewed the Executive Director's Member Board Brief article that was printed in the NCEES Licensure Exchange.

The Board reviewed the upcoming NCEES State of the Council Meetings schedule. The first NCEES State of the Council virtual meeting was held on March 3, 2021 and Ms. Rosier and other staff members participated. She highlighted the next scheduled NCEES virtual meetings would take place on April 7 and May 5, 2021 and are being held virtually to help prepare Board members and staff for the 2021 NCEES Annual meeting in August. These virtual meetings are being recorded and can be watched at anyone's leisure.

The Board reviewed the hardbound copy of the History of NCEES that details how NCEES has assisted key developments in licensure over the past century.

The Board reviewed the February 4, 2021 NCEES and Alliance for Responsible Professional Licensing (ARPL) email detailing the Value of Professional Licensing in the United States. Ms. Rosier discussed the weekly teleconferences she attends with ARPL and noted that ARPL was greatly assisting in the Legislative bill tracking efforts.

The Board reviewed the draft agenda for the upcoming 2021 NCEES Northeast Zone meeting which will be held virtually on May 19 – 20, 2021. President Saluja and Vice President Thomas are listed as the voting members representing the Board. Ms. Rosier will be serving as the coordinator and moderator of the NE Zone MBA Forum as well as the Chair of the NE Zone Awards Committee.

The 2021 NCEES Annual meeting is scheduled for August 18-21, 2021. The Board reviewed NCEES's plans to conduct this meeting as an 'in-person' event in New Orleans,

LA. Only 2 delegates per board will be permitted to attend. Ms. Rosier asked the Board members to check their schedules and let her know if they are interested in serving as the Board delegates.

The Board reviewed the updated NCEES PE exam conversion schedule. Most remaining NCEES exams currently offered in pencil-and-paper format, and administered once or twice per year depending on the exam, are in the transition process and scheduled to launch in computer-based format between now and 2024. Ms. Rosier noted that Civil PE exams, which are the highest volume exams used in WV and nationwide, are set to launch in CBT format beginning in 2022. For this reason, the October 2021 will be the last paper-and-pencil Civil PE exam administration.

Ms. Rosier provided a detailed update of the current legislative session, specifically reviewing the list of Legislative bills she and Mr. Eagloski have been tracking that impact Chapter 30 Boards. Ms. Rosier also provided an summary of her attendance at various legislative committee meetings, including testimony provided before the Senate Government Organization Committee. Ms. Rosier also reported she has been involved in numerous virtual meetings and teleconferences to effectively communicate with other Chapter 30 Board representatives as well as legislative staff. Ms. Rosier also provided a brief demonstration of the online bill status and legislative tracking tool available on the WV Legislature's website.

The Board reviewed the latest edition of the Professional Licensure Report (PLR).

Ms. Rosier reported that the biennial renewal audit was sent to 381 PEs and is ongoing. As of the date of the Board meeting, nearly 340 PEs have responded and provided qualifying documentation to meet the audit requirements, 32 others have responded but need additional information that has been requested, and 12 have not responded at all. As the deadline approaches, additional email reminders will be sent as well as staff following up with courtesy phone calls. Once the PE renewal audit is complete, staff will then finalize any related COA matters resulting from EIRC issues from the PE renewal season and subsequent audit outcome.

The Board reviewed the upcoming 2021 Calendar of Events, noting the many changes due to COVID-19 cancellations and restrictions.

Upon motion by Mr. Gates, seconded by Mr. Robinson, the Board voted to adjourn the meeting at 1:25pm. The next Board meeting will be May 18, 2021, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

State Board of Registration for Professional Engineers
May 18, 2021

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Tuesday, May 18, 2021. Those present for all or part of the meeting were:

Bhajan S. Saluja	President
Garth E. Thomas	Vice-President
Larry C. Nottingham	Secretary
Edward L. Robinson	Member
L.A. Gates	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Edward Eagloski	Board Counsel

The meeting was called to order at 9:05am. Mr. Gates participated remotely via teleconference. The Board met in a larger conference room on the 11th floor of the office building to ensure social distancing. The Board meeting minutes for March 23, 2021 were reviewed. A motion to approve the minutes was made by Mr. Robinson, seconded by Mr. Thomas. Motion carried.

The Board budget summaries for March and April 2021 were received and reviewed, and the Board reviewed the Pcard transactions for the months of March and April. Ms. Rosier reported a $1.66M balance for the ending of April 2021 and noted an estimated $1.4M balance is anticipated at the end of FY21. The Board reviewed the FY22 Expenditure Schedule Submission that was submitted on May 3, 2021. Ms. Rosier noted that overall the expenditure schedule remained unchanged from the FY21 Expenditure Schedule Submission as well as the FY22 Appropriations Request; however, there were some adjustments in the specific object codes to better reflect FY22 expense needs.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Dr. Nottingham, seconded by Mr. Thomas. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Ms. Rosier reported that there were 52 registered as WV applicants with NCEES for the April 2021 PE exam and that the results were yet to be released.
- The Board discussed the upcoming NCEES NE Zone meeting to be held via Zoom and President Saluja and Vice-President Thomas planned to attend and will serve as the official delegates to cast votes on behalf of the WV PE Board. Ms. Rosier-Tabor will be leading the Member Board Administrators Forum and staff members Rubenstein and Armstrong will also be participating.

- Ms. Rosier discussed the NCEES virtual State of the Council meetings held to date.
- Ms. Rosier provided a review of the virtual Pcard, OASIS, and Cash Management trainings.
- The Board reviewed NCEES's plans to hold the 2021 Annual Meeting as an 'in-person' event in New Orleans, LA and noted that NCEES has updated the attendance policy to allow for 3 funded delegates.
- Ms. Rosier reminded the Board to submit newsletter article topics of interest and to considering preparing their own article prior to the next Board meeting.

A motion was made by Dr. Nottingham, seconded by Mr. Thomas, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of complaint C2021-13. The consent order will be posted on the Board's website within a reasonable timeframe.

Mr. Robinson made a motion to enter into Executive Session at 9:22am, seconded by Dr. Nottingham. Motion carried.

At 11:40am, Mr. Robinson made a motion, seconded by Mr. Gates, to move into General Session. The motion carried, and the Board took the following action:

- Mr. Thomas made a motion, seconded by Dr. Nottingham, to dismiss C2021-14. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Thomas, to dismiss C2021-16. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to file C2021-20. Motion carried. Furthermore, Mr. Thomas made a motion, seconded by Dr. Nottingham, to set said complaint for a hearing on 11/9/2021. Motion carried.
- Mr. Robinson made a motion, seconded by Dr. Nottingham, to move I2021-21 to complaint. Motion carried. Furthermore, Mr. Robinson made a motion, seconded by Dr. Nottingham, to receive and file complaint C2021-21, and set said complaint for a hearing on 11/17/2021. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to move I2021-22 to complaint. Motion carried. Furthermore, Mr. Thomas made a motion, seconded by Dr. Nottingham, to receive and file complaint C2021-22, and set said complaint for a hearing on 11/17/2021. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Robinson, to move I2021-23 to complaint. Motion carried. Furthermore, Dr. Nottingham made a motion, seconded by Mr. Robinson, to receive and file complaint C2021-23, and set said complaint for a hearing on 11/17/2021. Motion carried.
- Dr. Nottingham made a motion to approve a 5% across the board (ATB) merit increase for Board staff and counsel. The raise is to be effective July 1, 2021. Mr. Thomas seconded, and the motion carried.

The Board acted upon the special case files as follows:

- Mr. Robinson made a motion, seconded by Mr. Thomas, to approve the PE comity application for Derek Donnelly. Motion carried.
- Mr. Robinson made a motion, seconded by Mr. Thomas, to approve the PE comity application for Andrew Leone. Motion carried.
- Mr. Robinson made a motion, seconded by Mr. Thomas, to approve dba Waiver for American Science and Engineering, Inc. (AS&E). Motion carried.

The Board recessed the general session at 11:45am for lunch. At 12:15pm, the Board resumed the general session.

The Board reviewed the COVID-19 agency update and the message to State Employees Regarding COVID-19 Vaccinations.

The Board reviewed the NCEES NE Zone meeting agenda, to include the Zone candidate's information, the MBA forum agenda, the NE Zone State report, and the electronic voting procedures as provided by NCEES.

Ms. Rosier discussed the upcoming NCEES State of the Council virtual webinars to be conducted on June 9th and July 14th.

The Board reviewed the April 7, 2021 NCEES and Alliance for Responsible Professional Licensing (ARPL) email detailing the topic of Universal Licensure.

The Board reviewed the upcoming NCEES annual meeting summary to be held in New Orleans, LA, August 19-21, 2021. Ms. Rosier noted that NCEES has now opened the registration for up to 3 funded delegates and Mr. Thomas expressed interest in attending for the Board.

The Board reviewed the updated CBT PE exam transition schedule. Ms. Rosier noted that October 2021 will be the last paper Civil exam administered and that the Structural PE exams will remain in paper and pencil format until 2024.

Ms. Rosier provided an update concerning the WV Legislative interim committee schedule and the Board reviewed the April 2, 2021 correspondence concerning the HB 2007 virtual stakeholders meeting.

The Board reviewed the CPC audit summary and Ms. Rosier reported one PE invalidation as a result of the renewal audit. In addition, 55 COA invalidations occurred due to no Active WV PE named to serve as the firm's Engineer In Responsible Charge (EIRC). All invalidation notices were sent via certified mail.

The Board discussed the FY2022 officer elections and Mr. Robinson made a motion, seconded by Dr. Nottingham, to elect Mr. Thomas as Board President. Motion carried.

Likewise, Mr. Robinson made a motion, seconded by Mr. Thomas, to elect Dr. Nottingham as Vice-President. Motion carried. Further, Mr. Thomas made a motion, seconded by Dr. Nottingham, to elect Mr. Gates as Board Secretary. Motion Carried.

Ms. Rosier discussed the Board appointment needs and the Board reviewed the upcoming 2021 Calendar of Events, noting the many changes due to COVID-19 cancellations and restrictions.

Upon motion by Dr. Nottingham, seconded by Mr. Robinson, the Board voted to adjourn the meeting at 12:45pm. The next Board meeting will be July 20, 2021, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

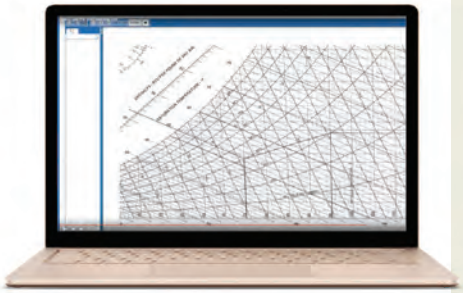
Nearing the Finish Line

LESLEY L. ROSIER-TABOR, PE, EXECUTIVE DIRECTOR



CBT uses traditional multiple-choice questions and alternative item types (AITs). AITs assess technical knowledge of examinees using methods not available via pencil-and-paper testing. All questions are scored as either correct or incorrect with no partial credit. AITs include:

- **Multiple correct** – select multiple answers
- **Point and click** – click on part of a graphic to answer
- **Drag and drop** – click on and drag items to match, sort, rank, or label
- **Fill in the blank** – type out a response to the question

After a decade of transition, NCEES is about to cross the finish line in grand fashion! In preparation for this article, I began searching back through my files to refresh my memory of when I first was asked to join the NCEES Computer-Based Testing Task Force. Little did I know I would play a small part in a monumental movement ... nearly a century of testing via paper-and-pencil exams transitioning to this "new-fangled" computer-based testing concept. We certainly weren't the first profession to take the leap ... in fact, we were nowhere close. Although we are professional engineers who are immersed each and every day in solving highly complex problems and using the latest technology to do so, we are also typically ultra-conservative by nature. Perhaps I should qualify that statement by saying this has certainly been my experience being involved with NCEES and the work of the hundreds of Board members and staff leaders from jurisdictions who serve on NCEES Committees and/or attend annual meetings to cast their votes on moving this organization forward. We are known to study issues in depth, discuss, think, rethink, deliberate, study some more (to a point of ad nauseam at times), before making a decision. But I realize that is ok ... we want good, solid answers, we need the safety factor, we set the highest of expectations and do not want to settle for less ... after all, that's how we were trained when completing our rigorous engineering curricula, right?

This lengthy process was certainly the case when it came to NCEES making the move to computer-based testing (CBT). NCEES had considered moving its exams to CBT for many years. In 2007, a task force was created to revisit the possibility of CBT and to update the previous 1999-2000 study. I was proud to be asked to serve as a member of this group. After several years of intense research, our task force made a motion at the 2010 annual meeting to convert the Fundamentals of Engineering (FE) and Fundamentals of Surveying (FS) exams from pencil-and-paper exams to computerized exams; the motion passed. NCEES began the process of transitioning exams to CBT the following year in 2011. Two years later, the Council also approved transitioning the Principles and Practice of Engineering (PE) and Principles and Practice of Surveying (PS) exams as soon as feasible. On January 2, 2014, the FE and FS exams were first administered via CBT.

CBT offers many benefits, such as enhanced security for exam content and more uniformity in testing conditions. For most exams, it also provides greater scheduling flexibility. All FE exam disciplines, all FS and PS exams, and most PE exam disciplines are now administered via CBT at Pearson VUE test centers. The 2 remaining NCEES PE exam disciplines are now in the conversion process and scheduled to launch via CBT between now and 2024.

- **PE Civil Exam** – Last paper administration was October 2021. Beginning November 1, 2021, examinees now register and schedule CBT appointments directly with NCEES, which will be available year-round starting on April 1, 2022.
- **PE 16-hour Structural** – The PE 16-hour Structural exam will be offered in paper-and-pencil format regionally beginning with the April 2022 administration.

To obtain the most up-to-date information regarding the transition, exam specifications and exam administration/registration, visit the NCEES website at **www.ncees.org.** For those reading this article who are already licensed, you may find it interesting to view the Pearson VUE CBT testing demo on the NCEES website. I know I did! The opportunities are vast when it comes to how we can now test for minimum competency of our upcoming licensees and the future of our profession. I am proud to have played a small part early on in this CBT movement and decision-making process. However, over the last decade I have stood in awe of the drive and tenacity displayed by NCEES leadership, staff and the hundreds of volunteers (who continue to spend countless late nights and weekends of their own time to write sample exam questions for consideration by the experts) to make it happen. I offer my heartfelt-thanks and congratulations to all involved as it is certainly an accomplishment for our profession to be proud of.

Celebrating 100 Years!

1921 – 2021

The WV Board of Professional Engineers and the WV Board of Architects Turns 100!

THE WEST VIRGINIA STATE BOARD OF REGISTRATION FOR PROFESSIONAL ENGINEERS AND THE WEST VIRGINIA BOARD OF ARCHITECTS CELEBRATED 100 YEARS OF PROTECTING THE PUBLIC ON JULY 27, 2021.

Both Boards were created by Legislative Acts on July 27, 1921 and have been protecting the health, safety, and welfare of the citizens of West Virginia ever since.

"We are pleased to be celebrating this important milestone," stated Adam Krason, President of the Board of Architects. "For 100 years, we have worked to protect the health, safety, and welfare of West Virginians by ensuring the quality of the built environment through regulations that required registered architects and professional engineers to meet rigorous education, examination, and experience standards."

Garth Thomas, Jr., President of the Board of Professional Engineers added, "A century of service to the public and professions is a notable event. Our Boards are committed to the continued protection of the public through licensure and registration of professionals who are well qualified to design our physical infrastructure."

The West Virginia Board of Architects held its first meeting on October 24, 1921 in the Hotel Kanawha in Charleston. The Board joined the National Council of Architectural Registration Boards (NCARB) in 1942 in order to work with other states focusing on public protection, model law, and uniform standards for architects. Two West Virginia architects have served as the president of NCARB, and one West Virginia architect served as the president of the National Architectural Accrediting Board. Numerous dedicated and distinguished architects and public members have assisted the public by serving on the board at the invitation of the Governor. Currently 1,270 architects are licensed to practice in West Virginia, and the Board is composed of five architects from around the State and two public members. The Board Office is now located at 405 Capitol Street in Charleston in the former Daniel Boone Hotel, where the Board previously met in the 1940s.

The West Virginia State Board of Registration for Professional Engineers called its first meeting to order at 10:00 a.m. on November 21, 1921. This meeting took place in the Coyle and Richardson Building in downtown Charleston. The PE Board joined the National Council of Examiners for Engineering and Surveying (NCEES) in 1921 as well, in order to work with other states to determine ways states could improve uniformity, promote reciprocal interstate relations and develop model law to protect public health, safety and welfare. One West Virginia professional engineer has served as the national president of NCEES during 2010 - 2011, and dozens of other professional engineers from West Virginia have dedicated countless volunteer hours over the years to serve on national NCEES committees and assist with exam development needs. With nearly 9,100 professional engineers licensed to practice in West Virginia, 5 of those distinguished professional engineers comprise the WV PE Board by gubernatorial appointments. The current WV PE Board members have distinguished careers in both engineering education and consulting in the great state of West Virginia, representing over 213 years of combined registered engineering service among them. Originally formed by act of the WV Legislature on July 27, 1921, under then Governor Ephraim Franklin Morgan, the WV PE Board Office is now located in the former Kanawha Valley Bank Building at 300 Capitol Street in Charleston, WV.

As noted in the 2020 Fall Interchange, NCEES also celebrated 100 years of existence last year. To commemorate their centennial, they developed a webpage dedicated to their rich history at ncees.org/100. With NCEES permission, the WV PE Board is proud to showcase a selection of photos and dates chosen from their virtual timeline throughout the sidebars of this newsletter. For our 2022 Fall Interchange, we will be providing our own historical photos and references for your enjoyment. Stay tuned!

1953

The four geographic zones hold their first interim meetings, where member boards discuss issues of common interest.

Many licensed engineers work in multiple states and must maintain a current license in each jurisdiction to legally practice their profession. Maintaining multiple licenses creates a burden on the licensee to remain current with the requirements of all controlling licensing authorities, and there is the cost of the fees entailed with renewing multiple licenses. An additional burden is imposed when a professional expands the geographic scope of their practice and must apply for additional licenses. Depending upon the requirements for licensure and documentation required, the application process could be difficult and time consuming. These concerns are all aspects of the overall problem of licensure mobility.

Critics of professional licensure point to the requirement to maintain a license in each jurisdiction of practice as a restriction of trade. The argument is that restrictions on the free mobility of professionals reduce the number of available practitioners, increasing the costs of professional services. This concern has prompted a number of state legislative bodies to consider and in some cases enact modifications to their professional licensing requirements. Legislative actions concerning mobility fall into three broad categories: interstate reciprocity, so-called "universal" licensing laws, and interstate compacts.

Most engineering licensing boards currently implement interstate reciprocity through the process of licensing by comity. If this process met the strict definition of comity, a license issued in one jurisdiction would be valid for practice in another, as is generally the case for drivers and marriage licenses. However, the actual implementation of comity results in the reciprocating board providing an expedited application process for a license. This is the model that is supported by the National Council of Examiners for Engineers and Surveyors (NCEES).

Unfortunately, there are several limitations on this approach. Some states don't permit licensure by comity and require all applicants to follow the same process. For states that do permit licensure by comity, the degree to which the application process is expedited can be quite variable. The best current scenario is that a number of boards can issue a license within a week or two after receiving an application if the applicant meets the standard of the NCEES Model Law Engineer and maintains a current set of credentials with NCEES. The process will be longer for those who don't meet model law requirements or don't have an NCEES record. Some boards also require verification documents to be submitted using their specific format and forms, regardless of whether an applicant has a current NCEES credential file. The American Society of Civil Engineers (ASCE) has advocated in Policy Statement 464 that all states adopt the expedited comity process based on NCEES model law and credentials. The National Society of Professional Engineers (NSPE) also advocates for states to align their PE licensing laws with the NCEES Model Law and Model Rules, including continuing education requirements.

A serious drawback to the current comity approach is that licensing jurisdictions can have differing requirements for licensees. Some examples: licensing graduates of four-year technology programs, waiving the requirement to pass the FE examination for applicants with advanced degrees or enough years of experience, and considering co-op experience as part of the years of experience. A possible result is that a candidate that has a valid license in state A cannot be licensed in state B because of differences in the qualification requirements. While NCEES has advocated that licensing boards should attempt to reduce these differences in requirements, progress on this front is likely to be slow and incomplete.

Some states have attempted to address the limitations of the comity model by implementing a so-called "universal" licensing law. An example is the model legislation developed by the American Legislative Exchange Council (ALEC).

The ALEC model legislation would grant a license to any applicant who meets the following provisions: holds a current license in another state with a similar scope of practice, has held the license in the other state for at least one year; was required by the other state to pass an examination and/or meet education and experience standards, is in good standing with the other state licensing board, does not have a disqualifying criminal record, has not had a professional license revoked or surrendered because of negligence or intentional misconduct, and does not have a complaint, allegation or investigation pending before a board in another state which relates to unprofessional conduct or an alleged crime. Such legislation could be viewed as a streamlined version of licensure by comity.

To date, Montana and Pennsylvania have adopted licensing legislation based on this model. However, the standards for licensure in the applicant's home state must be at least as stringent as those required by Montana and Pennsylvania. Arizona, which has similar legislation, limits its provisions to applicants who are moving to Arizona or are spouses of a military service member stationed in Arizona. Other states have considered or are considering legislation that would at least broadly follow the ALEC model. While this licensing model simplifies the process of obtaining licenses in multiple jurisdictions, it does not eliminate the need to maintain separate licenses, or the expenses involved with multiple licensing fees. There is the issue of determining if the requirements for licensure in the home state are substantially equivalent to those of the state receiving the license application.

A third approach to license mobility is the development of interstate compacts. Under such compacts a licensee in a compact state is considered to have a valid license to practice in all other states that are parties to the compact. This is the model developed by the National Council of State Boards of Nursing. To date, 38 states have joined a compact that permits nursing licensees of a compact member state to use their license in any other member state. A similar model has been adopted by the National Association of State Boards of Accounting, and the majority of states represented by member boards have joined the mobility compact. The NSPE's Future of Professional Engineering Task Force recommended that NSPE consider supporting multistate agreements that provide reciprocity between states if an individual is determined to be eligible for licensure in one of the signatory states. The examples of the nursing and accounting compacts indicate that it would be necessary for a national professional organization to undertake the lobbying effort necessary for state legislatures to enact a similar compact for engineering licensure.

Other ideas related to mobility that were recommended by the NSPE task force were to explore support of temporary licenses for engineers who move to a new jurisdiction (some licensing jurisdictions already provide these) and explore support of project-specific licensure in a jurisdiction where an engineer is not licensed, provided that a local PE is involved in the project. The later idea could address the needs of engineers who occasionally practice within a licensing jurisdiction.

This brief survey shows that there are several pathways that can be taken to enhanced licensure mobility. Improvement of the current comity model is the approach advocated by NCEES, while the current trend in legislative bodies is to consider variants of "universal" licensing laws: although the result may be an enhanced comity process. Other professions have had success with multistate compacts providing license transferability. Licensing boards and the legislatures that grant them authority should be open to considering any approach that improves mobility while maintaining qualifications sufficient for the protection of the public.

The Importance of the Fourth "E" in Engineering Licensure

It's safe to say that most professional engineers understand the importance of licensure and how one becomes licensed. Commonly referred to as the "3-legged stool", the aspects of Education, Examination, and Experience are required to obtain a PE license. In general, the qualifications necessary in WV to become registered include:

1. **Education** – an ABET accredited engineering degree
2. **Examination** – passage of the NCEES FE and PE exams
3. **Experience** – 4 or 6 years of progressive engineering experience

These 3 "E's" make up the 3-legged stool; however, I submit to you the fourth leg of the stool: Enforcement. With the Board's Executive Director being hired in 2002, the modern era of the Board's enforcement program began and we are now approaching nearly 20 years of active enforcement. While the Board's mission to safeguard life, health and property and to promote the public welfare has not changed, actively enforcing WV Engineering law has increased dramatically over the past 20 years. In 2003 the Board hired its first investigator, and since that time, and more recently, the Board's enforcement program has been one of the most active programs nationwide.

When one becomes initially licensed in WV, one typically has met only a threshold level of minimum competency at that point. In reality, it's merely the beginning of his or her professional career. Everyone will not perform at an appropriate level and the Board is obligated to address these failures by providing protection to those who have every reason to expect it. Thankfully, these failures are a product of a relatively small segment of our professional community. Left unchecked, however, this small segment will cause irreparable harm to the public and cause great harm to the profession.

A number of years ago, the Board began to publish performance measures that summarized some of the Board's work. These measures are updated on a regular basis and can be found on the Board's website at www.wvpebd.org/Performance-Measures-Outcomes-Agency-Stats. Concerning the enforcement statistics, the following is a summary of the performance measures showing increased enforcement of WV Engineering Law over the years:

- The number of opened complaints has progressively increased by approximately 40% in the past 5 years.
- The average time (in days) to resolve a complaint has decreased by approximately 48% in the past 5 years.
- The average percentage of dismissed complaints remained relatively steady in the past 5 years (approximately 23%).
- The number of continuing education (PDH) audits remains steady at approximately 4.4% of all renewals being audited.

As a reminder, any PE renewal can be audited per WV Engineering law, and the law requires a minimum of 3-5% of all renewals to be randomly audited for compliance with the PDH requirements.

To delve further into the summary items above, it should be known that the number of complaints, while increasing, is still a very small percentage of the total registrants. In fact, the percentage of formal complaints filed against total registrants is less than 1%! This goes to show that basically all of the registrants are following WV Engineering law (or unlawful actions are yet to be reported or discovered by the Board). I like to believe the former, but the realist in me knows that there are probably more potential violations out there that go unnoticed. With that said, I point you to a Rule of Professional Responsibility found in WV Code R. §7-1-12.3(h) which states "Registrants having knowledge of possible violations related to the practice of engineering as set forth in statute or these rules, including the Rules of Professional Responsibility, shall provide the Board with information and assistance necessary to the final determination of the violation."

Concerning the time it takes to resolve a complaint, it is totally a team effort and as the Board's Investigator I cannot take full credit for the efficiencies gained in complaint resolution. The Board's counsel, Edward Eagloski, has been a key player in complaint resolution and his efforts to resolve these complaints efficiently have not gone unnoticed. While I am certain nobody would enjoy having a complaint filed against them, I can assure you that if you ever find yourself in that situation, the complaint will be resolved as quickly, and professionally, as possible.

There are no nationwide statistics readily available concerning the number of filed complaints, complaint resolution time, number of dismissed complaints, and number of PDH audits conducted by other jurisdictions. However, there is a repository kept at the national level by the National Council of Examiners for Engineering and Surveying (NCEES) called the Enforcement Exchange. Most jurisdictions use this non-public database to enter their disciplinary actions taken against engineers and surveyors. Your WV PE Board is energetically involved in NCEES at the national level and actively participates in the Enforcement Exchange. A quick review of the database shows an astounding statistic: Per capita, WV ranks third nationally in the number of disciplinary actions reported to the Enforcement Exchange. With a state population of only 1.8M people and ranked 31st in population nationwide (2020 Census data), the WV PE Board reports more disciplinary actions per capita than all jurisdictions except for Oklahoma and Colorado. Again, the realist in me realizes this does not mean that WV disciplines more engineers than most states, but it shows that the Board's active enforcement program, and its reporting, is leading the way on a national level. It should also be noted that the majority of our licensees (now 83%), as well as the complainants involved in our enforcement actions since 2003, are individuals that live out-of-state.

Two (perhaps three) Further Points of Interest

I know the PDH audit and continuing education requirements are always a topic of great interest to all of the Board's registrants. The latest renewal audit, conducted in February-April 2021 for your 2021-2022 license renewal, resulted in only one license invalidation for not meeting the PDH requirements. To me, this shows the Board's willingness to work with all registrants upon audit notification. Remember that if you should find yourself audited during your next renewal, you will have 30 days to come into compliance with the audit should the Board find any shortcomings.

Furthermore, I know that the cases and investigations the Board conducts are of also interest to most registrants. While pending cases are confidential per WV Engineering law, a resolved case resulting in disciplinary action becomes public record and all of the Board's actions are posted on the Board's website located at **www.wvpebd.org/West-Virginia-Engineering-Law/Enforcement-Disciplinary-Actions.** One case of interest I would like to highlight is posted on the website having to do with an individual claiming to be a PE and going as far as creating and using a fraudulent PE seal. I'll leave the specifics of Case Number 20-C-847 to your perusal on the website, but in short, the Board took swift action upon being notified of this transgression and obtained a court order permanently enjoining this individual and his unlicensed business from offering or practicing engineering in our state.

Last, and maybe least, as of September of this year, I have moved on to another great employment opportunity but hope that my contributions to the enforcement of WV Engineering law were an asset to the Board. I want to sincerely thank the WV PE Board and staff for the opportunity to serve the engineering community for the past 8 years. Your WV PE Board is one of the leaders in the nation, not only in enforcement, but in being active at the national level through NCEES. As you remember the 'three-legged stool' in engineering licensure, don't forget about the Fourth E and the importance of enforcement in any professional setting.

Board Disciplinary Actions

Disclaimer: *Every effort has been made to ensure that the enforcement information is correct; however this information should not be relied upon without verification from the Board office or website. It should be noted that the names of companies and individuals listed may be similar to the names of parties who have not had enforcement actions taken against them. Should you have any specific questions regarding the disciplinary actions noted below, please contact the Board office.*

In meeting its mission of safeguarding life, health and property, and to promote the public welfare, the WV Board actively enforces the statutes and rules that fall within its jurisdiction. Below is a summary of formal complaints that resulted in disciplinary action since the 2020 newsletter. Numerous other investigations were conducted, some resulting in formal complaints which are still pending; some dismissed because the charges were unsubstantiated or considered trivial; and some closed after acceptable corrective action or warning.

Disciplinary actions can be either a result of a formal hearing resulting in a Board Order or settled informally resulting in a Consent Order. These orders are public records. If you are interested in knowing more about the nature of the complaint, you may request a copy pursuant to the State's Freedom of Information Act. All Orders are posted on the Board website.

All civil penalties are deposited in the state's general fund. Administrative costs are made payable to the WV PE Board and are retained by the Board to offset costs incurred in the investigation and complaint resolution efforts. Administrative costs may be waived if the complaint is resolved with a minimum of expense.

NCEES CENTENNIAL CELEBRATION CUT SHORT AGAIN!

Throughout 2020, NCEES celebrated the 100th anniversary of its founding in 1920. In 2021, the organization continued to celebrate this milestone as it prepared for the 100th Annual Meeting of NCEES in August. Unfortunately, due to concerns related to the dangerous level of new COVID-19 cases in New Orleans, the NCEES Board of Directors once again made the prudent decision to cancel their Annual Meeting. The number of active cases in New Orleans was exponentially increasing due to the widespread nature of the COVID-19 Delta variant, and having an overwhelming impact on local hospital capacities and emergency resources. This decision was made to help ensure the health and safety of all meeting attendees.

In lieu of the planned gatherings, NCEES sent member boards centennial memorabilia and copies of the new fourth edition **History of NCEES**. NCEES also developed a centennial website at ncees.org/100 to recognize engineering and surveying licensure milestones and celebrate the organization's initiatives and achievements over the past 100 years. Please visit the NCEES website to scroll through the interactive timeline and discover some of the organization's unique history. ***Note: Portions of this article were reprinted, with permission, from NCEES*

Nothing is Permanent, But Change.

COUNSEL'S COLUMN

N. EDWARD EAGLOSKI, II, BOARD COUNSEL

Having served with the local council's Boy Scouts of America Board, we learned that the Boy Scouts were changing. It was becoming more inclusive, by allowing girls, young women, to join its ranks, expanding their opportunities in Scouting, including earning the rank of Eagle Scout. This was a hard change for me, but the change was mandated, and the change enviable.

As I enter my fourth year as the Board's Counsel, I find this particular quote be to most apropos. I came to the Board in 2018, just as Debra Hamilton was retiring after many years as Board Counsel. Unless you had issues before the Board, you missed interacting with a remarkable woman. I had but a few weeks working with her, and found her not only to be the voice of change, but a maker and shaker of that change. She was, and is, in my opinion, a force to be reckoned with. Plus, she mentally challenged each of us through her soliloquies of rational. To me, she embodies Greek philosopher Heraclitus' quote, "Nothing is permanent, but change."

As this year closes, another change in Board Staff has been made. My friend and mentor, Aaron Armstrong, the Board's Investigator, has taken another job. I am thankful for the years we spent together as Board staff. I hope that I expanded his knowledge of the law, whereas, he surely has expanded my understanding of the engineering profession, the need for PEs, and the criteria for recognizing one as a PE. Because of his guidance, I am able to better serve the Board. We were saddened by this change, but elated for him. His new position will allow him to use his penned-up engineering skills, his experience, and his West Point can-do attitude to design, build, and improve our State. We wish him the best, and look forward to his accomplishments.

Upcoming Certificate of Authorization Renewals

As we head into December 2021, there will be another ending, followed by new beginnings. Yep, another change. It will not be a "life changing event" like a new job or retirement, but a change nevertheless. It will be time for the biennial renewal of your Company's / Firm's / Sole Proprietor's (Individual's) Certificate of Authorization (COA). This COA is the one issued by the Board, not the business license document of a very similar name (Certificate of Authority), and the same acronym, issued by the WV Secretary of State. However, both individuals and entities (e.g., companies, firms and sole proprietors) need to have valid and active certificates issued from both the Board, and the WV Secretary of State's office in order to offer engineering services and/or practice engineering in the State of West Virginia. Renewals start in late November.

Am I a Sole Proprietor? Simply Look into a Mirror!

At COA renewal time, one reoccurring question is "Can I file as a Sole Proprietor?" In answering this question, we do not use the IRS definition that a "A sole proprietor is someone who owns an unincorporated business by himself or herself. However, if you are the sole member of a domestic limited liability company (LLC), you are not a sole proprietor if you elect to treat the LLC as a corporation." **www.irs.gov/businesses/small-businesses-self-employed/sole-proprietorships.**

Did you get that? Well, as stated above, the Board does not employ the IRS test, so it does not matter how you are taxed, nor whether you are an individual or a business entity. The Board utilizes the definition that you have no one in your firm, but 'yourself'. Under WV C.S.R. § 7-1-2.10, a 'sole proprietor' is defined as being a person or entity that employs no one but himself/herself which practices or offers to practice engineering in this state. This has been interpreted to mean 'no employees, except oneself.' So, you cannot have any technicians, designers, drafters, clerical staff, or family on payroll.

If you're having a problem getting your mind wrapped about this concept, simply utilize the Mirror Test. Find a mirror, and look into it. In that reflection, you should see everyone that works for you; it's just you…the single PE and no one else. If you do not see everyone who works for you in that mirror, then you are not a sole proprietor. It's akin to the saying, "I am the chief cook and bottle washer." You do everything for the firm yourself. The next question you are to ask is "Whether you are the firm's Engineer in Responsible Charge (EIRC)? If you are not listed as the firm's EIRC on your COA renewal, then you are not a sole proprietor.

In closing, please be reminded that if your firm decides not to renew its COA, then the firm should not offer or provide engineering services for projects in the state of West Virginia. To do so would be in violation of West Virginia Engineering Law. If you have any questions regarding COAs, simply call the Board office to discuss your circumstances.

2006

The NCEES Credentials Evaluations Service is established for licensure candidates earning degrees from programs outside the United States and from domestic, non-ABET accredited programs.

2014

The FE and FS exams are administered via computer-based testing (CBT) for the first time. The FE exam format changes from a breadth and depth format to seven free standing, discipline-specific exams.

Renewal Updates and Status Report

UPCOMING WV COA RENEWAL REMINDER

It's time to renew your firm's Certificate of Authorization! All firms or individual sole proprietors in possession of an active WV Certificate of Authorization (COA) will be required to renew their COA by December 31, 2021. As a condition of WV COA renewal, every firm must provide the name of their Engineer In Responsible Charge who must be a WV PE whose license status is active and in good standing.

As required by West Virginia Engineering Law, our agency is required to send notification at least 30 days prior to the expiration of a license, meaning no later than December 1st of odd numbered years for COAs and December 1st of even numbered years for PEs and Retired PEs. Renewal notifications are typically mailed in mid-late November and the WV State Treasurer's Office activates our online license renewal system at the same time. If you have an active COA, renewal instructions were enclosed with this newsletter and a live COA renewal link is posted on our website as well. A number of courtesy email notifications will also be sent to the record email address(es) throughout the renewal season until successfully renewed. Upon successful renewal, one will be able to print receipt confirmation and we will no longer send unnecessary email communication.

If you have any questions regarding the COA renewal process, please do not hesitate to contact Tiffany Coleman as she handles all COA matters for the WV PE Board. You may email her at tiffany@wvpebd.org or call 304-558-3554.

To view or download a complete roster of the Active PE licenses, Firm Certificates of Authorizations (COAs), and Retired PEs, simply visit our website. There you will find access to a real-time, online verification search tool that shows if a particular individual and/or firm is authorized to practice or offer engineering services in WV.

Please be reminded that all licensees should report any updates such as disciplinary actions, a change in address, employer or email to the Board within 30 days. All address and employer updates submitted online, as well as new license activations or licensee status changes, will appear immediately unless an action is required by staff before posting. Should you have any questions about the status of a WV PE or WV COA, simply contact the Board office for assistance.

Red Flags

Watch out for these issues:

- Architectural sheets sealed by an engineer
- Engineering sheets sealed by an architect
- Plans sealed by an unlicensed person, architect or engineer
- Plans sealed by an engineer of an unauthorized firm (one without a COA)
- Incomplete documents sealed without a disclaimer
- Plans that have not been sealed, signed (dated) by the licensee(s)
- Prototypical, standard plans that do not bear the seal of the WV licensee and disclaimer
- Seals that appear to be cut and pasted
- Contact person is not the licensee or it is difficult to contact the licensee
- Plans, details, letters, reports, etc. do not appear to apply to the project
- Plans have numerous or serious code violations
- Non-dated revisions
- Revisions or changes missing seal, signature (date)
- Plans which do not list the name of the architect or engineer involved and the name of his/her firm.

What to do?

- Question the professional as to circumstances and qualifications
- Get the issue corrected
- Reject the documents
- Contact the appropriate licensing board
- File a complaint with the appropriate licensing board

Engineering Addendum:

Are the services of a registered professional engineer required for single family residential structures?

Single family residences do not normally require the design services of professional (structural) engineers except for some large custom designed homes where the owner requests the services or the spans are too large for typical code-specified framing to work. Generally the only times a structural engineer will become involved in a single family residence are as follows:

- Where there is a problem with the foundation or framing of the house, such as storm damage, soil movements, or unusual deflections and damages in the architectural finishes.
- When an existing house is being sold and the mortgage company is looking for someone to identify and describe the various structural movements and damages that have occurred in the structure, as well as provide some recommendations of what should be done to eliminate the problems.
- When the design of the house involves a structural system which is outside of the typical structural framing and foundation systems specified in the residential building code or when the building code requires engineering services.

Relevant Codes

What is the current building code reference?

Neither board is responsible for regulating or enforcing building code compliance. Interested parties should contact the WV State Fire Marshal or their local code official for details.

THE PROFESSIONAL USE OF SEALS

2019 ARCHITECTURE & ENGINEERING PRACTICE

Requirements regarding the practice of architecture and engineering in West Virginia

www.brdarch.wv.gov | www.wvpebd.org

Which type of licensee must prepare and seal plans?

Can architects prepare and seal engineering plans?

a e Although incidental engineering is allowed, architects generally should not seal electrical, mechanical, plumbing, civil or structural engineering drawings.

Can engineers prepare and seal architectural plans?

a e Although incidental architecture is allowed, engineers should not represent their work as architecture and should not seal drawings identified as architectural.

Are companies employing these licensed professionals required to be registered by their respective Boards prior to providing, or even offering, professional services on projects in WV?

a No, but an individual architect is required to be registered in WV before soliciting work in WV.*

e Yes, a valid Certificate of Authorization (COA) must be obtained from the PE Board prior to offering engineering services.*

**Both Licensed Architects and Professional Engineers (and their firms) should check with the WV Secretary of State's Office regarding additional business license requirements once properly registered with their respective Board.*

How can one verify that an architect, engineer, or engineering company is currently licensed and eligible to offer professional services in WV?

a e Both Boards have websites which allow online licensure verification.West Virginia engineers are not licensed by discipline but as professional engineers. Seals shall not reference an engineer's branch or discipline.

a Visit www.brdarch.wv.gov or call 304-558-1406

e Visit www.wvpebd.org or call 304-558-3554

Are there special requirements regarding the seals?

Can a licensee use an electronic seal?

a Electronic seals are permitted, but electronic signatures are not permitted. The signature must be an original, handwritten signature.

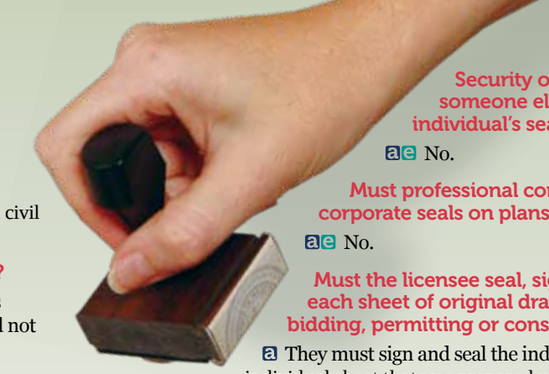
e Electronic seals and signatures are allowed. Facsimile signatures are not allowed.

Can a licensee seal another licensed designer's standard (prototypical) plans?

a e No, they must be sealed by a West Virginia licensed architect or engineer who is in responsible charge of the preparation of the documents.

Can an individual licensed in another jurisdiction engage in temporary practice before obtaining a license here?

a e No.



Security of seal – can someone else use an individual's seal?

a e No.

Must professional corporations use corporate seals on plans?

a e No.

Must the licensee seal, sign and date each sheet of original drawings issued for bidding, permitting or construction?

a They must sign and seal the index page or each individual sheet that was prepared under the architect's responsible control. The date is not required.

e They must sign, seal and date the first sheet or title sheet of the appropriate sections.

Must the licensee seal, sign and date the index page identifying each set of specifications or technical submissions?

a The architect is required to sign and seal all technical work prepared by him/her. No date is required.

e The engineer is required to sign, seal and date all technical work prepared by him/her.

What structures may be exempt in the licensing laws from the architect's and engineer's requirements and/or may be prepared by others?

a There are limited exemptions in the architect's law to permit a person who is not registered as an architect to design and supervise the erection or alteration of the following:

1. A detached single family dwelling and any incidental sheds, storage buildings and garages;
2. A multifamily residential structure not in excess of three stories excluding any basement area;
3. Farm buildings, including barns, silos, sheds or housing for farm equipment and machinery, livestock, poultry or storage, if such structures are designed to be occupied by no more than ten persons;
4. Any alteration, renovation or remodeling of a building, if such alteration, renovation or remodeling does not affect the structural or other safety features of the building or if the work contemplated by the design does not require the issuance of a permit under any applicable code;
5. Pre-engineered buildings, including mobile classrooms purchased by county school boards, and;
6. A commercial structure which contains not more than 7,600 square feet and is only one story, excluding any basement area.

e No specific types of structures are exempt from engineer licensing laws.

Plans for changes to previously exempt structures?

a Exempt, if finished structure would still qualify for its original exemption.

e Not exempt.

Plans for changes to nonexempt structures?

a Exempt if changes:

- Do not alter or affect the structural system.
- Do not change access or exit patterns.
- Do not change live or dead loads.
- Do not change safety features.
- Do not require the issuance of a permit under any applicable code.

e Not exempt.

Plans for alterations or up-fitting of a shell or unfinished structure?

a e Not exempt.

Shop drawings?

a Exempt. e Not exempt.

Are church plans exempt?

a e No.

What types of documents require a seal?

Must a licensee seal all plans prepared for bidding, permitting or construction?

a Yes. e Yes.

Are specifications required to be sealed?

a Yes. e Yes.

If a project is exempt but a licensee does the work, must the licensee seal the plans?

a Yes. e Yes, generally.

Are change orders, technical submissions or drawings accompanying or related to change orders required to be sealed?

a e Yes, if the changes, technical submissions or drawings were of a type that must be prepared by a licensee.

Are addenda and field changes required to be sealed?

a e Yes, if the documents, addenda or field changes can only be lawfully prepared by a licensee.

Are "record drawings (as builts)" required to be sealed?

a e Yes, when prepared by an architect or engineer.

What kinds of documents do not require a seal?

Must licensees seal presentation documents (renderings used to communicate conceptual information only) not a part of a set of drawings?

a e Not required to be sealed or signed.

Can a licensee seal sheets or pages prepared by others?

a Yes, in certain cases where portions of the work were prepared by others under the direct supervision of the architect. The architect may also sign or seal those portions of professional work if the architect has reviewed them and coordinated their preparation.

e Yes, if the licensee was in responsible charge of the work or completely checked it.

Under what circumstances are licensees limited from sealing certain documents?

Can a licensee seal a professional opinion letter or report concerning whether plans that he/she did not prepare comply with the building code?

a e Yes.

Can a licensee seal a document that was not prepared by the licensee or under his/her direct control?

Engineer's Creed

As a professional engineer, I dedicate my professional knowledge and skill to the advancement and betterment of human welfare. I pledge to give the utmost of performance, to participate in none but honest enterprise, to live and work according to the laws of man and the highest standards of professional conduct, to place service before profit, honor and understanding of the profession before personal advantage, and the public welfare above all other considerations. In humility and with need for divine guidance, I make this pledge.

Introduction

The licensing of Professional Engineers began in the State of Wyoming in 1907. The West Virginia State Board of Registration for Professional Engineers (WV PE Board) was formed to oversee the licensing of engineers in West Virginia in 1921. Article 13 – the part of the professional licensing chapter of the code (Chapter 30) that regulates Professional Engineers – was first enacted in 1992. The statutes in W.Va. Code 30-13-1 et seq. and Series 7 of the Code of State Rules are the primary components of what is referred to as "West Virginia Engineering Law."

Laws requiring professional licensure and regulating the practice of that profession are enacted under the police powers of the State. The primary purpose is to protect the public. Through its statutes and rules, the WV PE Board works to safeguard life, health and property and promote the public welfare. This is done, in part, by requiring professional engineers to meet specified minimum standards, follow certain procedures, and practice in accordance with their rules of professional responsibility.

Those licensure standards, and the procedures and rules that govern those who have been granted the privilege to practice engineering in West Virginia, can be found in these pages. It is hoped that the information provided here helps you understand the substantive and procedural aspects of West Virginia Engineering Law. The staff and its counsel are always available in the event you need more information or have questions regarding the Board's implementation and application of West Virginia Engineering Law.

The Board and staff work diligently to carry out our responsibilities to the public, the State of West Virginia, and to the professional engineers licensed in West Virginia. The more that these entities know, understand and comply with West Virginia Engineering Law, the easier our job will be, and we can all work together to ensure that West Virginia's professional engineers are providing good service to the State and its people.

CHANGES TO STATUTE OR RULES AFTER 2020:

Please be advised this booklet contains only legislative action prior to April 2020. It is unpredictable when the West Virginia Legislature may consider and possibly pass legislation amending Article 13, and there is always the possibility that the Board may choose to seek statutory and/or or legislative rule changes through the legislative process in future years. The Board, on its website, will attempt to keep the engineering community and citizens of West Virginia apprised of legislative developments and will always post legislation amending Article 13 that is enacted into law. In addition, any proposed legislative rule filing will be posted for comment on the Board's website at ***www.wvpebd.org*** *and on the WV Secretary of State's website at* ***www.sos.wv.gov.***

WEST VIRGINIA CODE
CHAPTER 30 – PROFESSIONS AND OCCUPATIONS
ARTICLE 13 - ENGINEERS

§30-13-1. Legislative findings; intent.

The Legislature hereby determines the need to regulate the practice of engineering; to provide for the registration of qualified persons as professional engineers and the certification of engineer interns; to define the terms "engineer," "professional engineer," "engineer intern" and "practice of engineering"; to create a state board of registration for professional engineers and provide for the appointment and compensation of its members; to fix the term of members of the board and define its powers and duties; to set forth the minimum qualifications and other requirements for registration as an engineer and certification as an engineer intern; to establish registration fees with expiration and renewal requirements; to impose certain duties upon the state and political subdivisions thereof in connection with public works; and to provide for the enforcement of this article and penalties for its violation.

§30-13-2. General provisions.

In order to safeguard life, health and property and to promote the public welfare, the practice of engineering in this state is hereby declared to be subject to regulation in the public interest. It is unlawful for any person to practice or to offer to practice engineering in this state, as defined in the provisions of this article, or to use in connection with his or her name or otherwise assume or advertise any title or description tending to convey the impression that he or she is a registered or licensed engineer, unless the person has been duly registered or exempted under the provisions of this article. Engineering is hereby declared a learned profession and its practitioners are held accountable to the state and the public by professional standards in keeping with the ethics and practice of other learned professions in this state. The practice of engineering is a privilege granted by the state.

§30-13-3. Definitions.

Unless the context in which used clearly requires a different meaning as used in this article:

(a) **"Board"** means the West Virginia state board of registration for professional engineers as provided for in this article.

(b) **"Consulting engineer"** means a professional engineer whose principal occupation is the independent practice of engineering; whose livelihood is obtained by offering engineering services to the public; who serves clients as an independent fiduciary; who is devoid of public, commercial and product affiliation that might tend to infer a conflict of interest; and who is cognizant of their public and legal responsibilities and is capable of discharging them.

(c) **"Engineer"** means a person who is qualified to practice engineering by reason of special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience.

(d) **"Engineer intern"** means a person who has qualified for, taken and has passed an examination in the fundamental engineering subjects, as provided in this article.

(e) **"Practice of engineering"** means any service or creative work, the adequate performance of which requires engineering education, training and experience in the application of special knowledge of the mathematical, physical and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning and design of engineering works and systems; planning the use of land and water; teaching of advanced engineering subjects, engineering surveys and studies; and the review of construction for the purpose of assuring compliance with drawings and specifications any of which embraces such services or work, either public or private, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services. Engineering surveys include all survey activities required to support the sound conception, planning, design, construction, maintenance and operation of engineered projects.

Any person who practices any branch of the profession of engineering or who, by verbal claim, sign, advertisement, letterhead, card or in any other way represents himself or herself to be a professional engineer, or by using another title implies that he or she is a professional engineer or that he or she is registered under this article or who holds himself or herself out as able to perform, or who performs any engineering service or work or any other service designated by the practitioner which is recognized as engineering, is considered to practice or offer to practice engineering within the meaning and intent of this article.

(f) **"Professional engineer"** means a person who has been duly registered or licensed as a professional engineer by the board. The board may designate a professional engineer, on the basis of education, experience and examination, as being licensed in a specific discipline or branch of engineering signifying the area in which the engineer has demonstrated competence.

(g) **"Responsible charge"** means direct control and personal supervision of engineering work.

(h) **"Rules of professional responsibility for professional engineers"** means those rules, if any, promulgated by the West Virginia state board of registration for professional engineers as authorized by this article.

§30-13-4. Board of registration for professional engineers; appointment and term.

There is hereby created the board of registration for professional engineers which shall hereafter be referred to as the board. The board shall be composed of five members appointed by the governor, by and with the consent of the Senate, preferably from a list of names submitted by the West Virginia society of professional engineers. The members of the board shall be qualified and shall meet the requirements of section five of this article. The governor shall present each board member with a certificate of appointment. Each board member shall make and file an oath or affirmation with the secretary of state to faithfully execute the duties of a member of the board. Members of the board shall serve a term of five years. Of the members first appointed, one shall serve a term of one year,

one shall serve a term of two years, one shall serve a term of three years, one shall serve a term of four years and one shall serve a term of five years. Members are eligible for reappointment but no member may be appointed for more than three full consecutive terms. Each member shall hold office until the expiration of the term for which appointed or until a successor has been duly appointed and has qualified. In the event of a vacancy on the board due to resignation, death or for any cause resulting in an unexpired term and if not filled within three months by the governor, the board may appoint a member to serve in the vacancy until the governor makes the appointment. Members of the former board whose terms have not expired shall fill the term on this board which corresponds with the length of the unexpired term of that member.

§30-13-5. Board qualifications.

Each member of the board must be a citizen of the United States and a resident of this state. Each member shall have been engaged in the lawful practice of engineering as a professional engineer for at least twelve years; shall have been in responsible charge of engineering projects for at least five years; and shall be a registered professional engineer in this state.

§30-13-6. Compensation and expenses.

Each member of the board shall receive compensation for time spent, and reimbursement for reasonable and necessary expenses incurred, in the performance of board-related duties pursuant to section eleven, article one of this chapter.

§30-13-7. Removal of members and vacancies.

The governor may remove any member of the board for misconduct, incompetency, neglect of duty or for any reason prescribed by law for removal of state officials. Vacancies in the membership of the board shall be filled for the unexpired term.

§30-13-8. Organization and meetings.

The board shall hold at least one regular meeting each year. Special meetings may be held as the bylaws of the board provide. Each year the board shall elect the following officers: A president, a vice president and a secretary, who shall serve at the will and pleasure of the board. A quorum of the board shall consist of not less than three professional engineer members.

§30-13-9. Board powers.

(a) The board may adopt and amend bylaws not inconsistent with the constitution and laws of this state. The board may promulgate and shall adopt "rules of professional responsibility for professional engineers." These rules are binding to any person registered with the board under the provisions of this article. These rules are also applicable to firms holding a certificate of authorization as provided in section seventeen of this article.

(b) The board may subpoena witnesses and compel their attendance and it may also subpoena books, papers, documents or other pertinent data in any disciplinary matters or in any case involving an allegation of a violation of the provisions of this article. The board may apply to the circuit court of Kanawha county to enforce compliance with any subpoena it issues.

(c) The board may seek an injunction in circuit court to enforce the provisions of this article or to restrain a person or entity from violating a provision of this article. In pursuing injunctive relief under this section, the board shall not be required to prove that an adequate remedy at law does not exist or that substantial or irreparable damage would result from the continued violation. The members of the board may not be personally liable for any decisions made in good faith in pursuing injunctive relief.

(d) The board may require all applicants for registration to take and successfully pass an examination of their fitness and qualifications to become registered.

(e) The board may require that a registered professional engineer demonstrate continuing professional competency in engineering as a condition of renewal or reregistration.

(f) Board members are exempt from civil liability for any decision made or any act done in good faith in the performance of any duty or the exercise of any power granted under this article.

§30-13-10. Receipt of fees, fund established, disbursements.

There is hereby established within the state treasury a "board of professional engineers fund." The board shall deposit all fees and other moneys received by the board into the fund. The moneys in the fund shall be used for expenses of the board and shall be requisitioned on the signatures of the president and secretary of the board. The secretary of the board shall annually furnish an accounting of all funds received and expended by the board to the governor and to each house of the Legislature. The board may use the moneys in the fund to employ necessary staff, pay for membership fees to the national council of examiners for engineering and surveying and for any other necessary and reasonable expense of the board: Provided, That the board may not issue warrants in excess of moneys in the fund.

§30-13-11. Records and reports.

(a) The board shall keep a record of its proceedings and of all applications for registration. The record shall show: (1) The name, age and last known address of each applicant; (2) the date of application; (3) place of business of such applicant; (4) education, experience and other qualifications; (5) type of examination required; (6) whether or not the applicant was rejected; (7) whether or not a certificate of registration was granted; (8) the date of the action by the board; and (9) such information as may be deemed necessary by the board.

(b) The record of the board is prima facie evidence of the proceedings of the board and a transcript duly certified by the secretary shall be admissible as evidence with the same force and effect as if the original were produced.

(c) On the first day of July of each year, the board shall submit to the governor a report of its transactions of the preceding year and shall transmit to the governor a complete statement of the receipts and expenditures of the board, attested to by affidavits of its chairman and secretary.

(d) Board records and papers of the following class are of a confidential nature and are not public records: Examination material for examinations not yet given, file records of examination problem solutions, letters of inquiry and reference concerning applicants, board inquiry forms concerning applicants, investigation files where any investigation is still pending and all other materials of like confidential nature.

§30-13-12. Roster.

A complete roster with the names and the last known addresses of all registered professional engineers shall be published by the secretary of the board at intervals established by the board. Copies of this roster may be mailed to each person registered and shall be placed on file with the secretary of state and may be distributed or sold to county and city officials and to the public.

§30-13-13. Requirements for registration of professional engineers and certification of engineer interns.

(a) General requirements. - Every person who desires to be certified as an engineer intern or to be registered as a professional engineer in this state must comply with the following requirements:

(1) Submission of a completed application specified by the board and payment of the application fee specified by rule of the board;

(2) Be at least eighteen years of age;

(3) Be of good moral character;

(4) Submit statements of reference as specified by rule of the board;

(5) Graduate from a four-year engineering curriculum accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (EAC/ABET), or an equivalent as approved by the board as being of satisfactory standing; and

(6) Be free of any grounds for disqualification as set forth in subsection of (a) of section twenty-one of this article.

(b) Certification of an engineer intern. - In addition to the foregoing general requirements, an applicant must meet the following requirements to be certified as an engineer intern in this state:

(1) Satisfactorily complete the required examination on the fundamentals of engineering; and

(2) Complete each additional requirement that the board may specify by legislative rule.

(c) Registration of a professional engineer. - In addition to the general requirements specified in subsection (a) of this section, an applicant must meet the following requirements to be certified as a professional engineer in this state:

(1) Meet all the requirements for certification as an engineer intern;

(2) Submit a record of four years or more of progressive experience in engineering work of a grade and a character that indicates to the board that the applicant may be competent to practice engineering;

(3) Satisfactorily complete the required examination on the principles and practice of engineering;

(4) Complete each additional requirement that the board may specify by legislative rule.

(d) Registration of a professional engineer through comity or reciprocal registration. - Notwithstanding the requirements of the foregoing subsection of this section, the board may issue a license to an applicant who holds a valid license or other authorization to practice engineering from another state, if the applicant satisfies the general requirements of subsection (a) of this section, satisfies the additional requirements specified by rule of the board and meets one of the following requirements:

(1) Holds a license or other authorization to engage in the practice of engineering issued by a proper authority of any jurisdiction, based on requirements that do not conflict with the provisions of this article and possesses credentials that are, in the judgment of the board, of a standard equivalent to or not lower than that specified in the applicable licensure act and rules in effect in this state at the time such license was issued, upon application, which may include a council record with NCEES; or

(2) Holds a valid council record with NCEES, which is the compilation of documents maintained by NCEES of an applicant's qualifications as a professional engineer, including official transcripts, engineering examination results, employment verifications and references, which indicates that the applicant meets the requirements of this article.

(e) Certification or registration of qualified applicants. - The board shall issue a certification to a qualified applicant who meets the requirements for certification as an engineer intern and shall issue a professional engineer registration to a qualified applicant who meets the requirements for registration as a professional engineer.

(f) Continuation of existing registrations and certificates. - A registration or certificate issued by the board prior to July 1, 2013, shall for all purposes be considered a registration or certificate issued under this article: Provided, That a person registered or certified prior to July 1, 2013, must renew the registration or certification pursuant to the provisions of this article and the rules of the board.

§30-13-13a. Designations of nonpracticing status.

The board may designate a professional engineer as ineligible to practice or offer to practice engineering in this state using one of the following terms:

(1) **Professional engineer-retired.** - A registrant may apply for retired status upon certification that he or she is no longer practicing or offering to practice engineering in this state for remuneration.

(2) **Professional engineer-inactive.** - A registrant may request inactive status upon affirmation that he or she is no longer practicing or offering to practice engineering in this state.

(3) **Professional engineer-lapsed.** - A registrant's license is lapsed when the registrant does not respond to renewal notices or pay the required fees.

(4) **Professional engineer-invalidated.** - A registrant's license is invalidated when he or she is unable to provide sufficient proof that any condition of renewal set forth in this article or by board rule has been met.

§30-13-14. Application and registration fee.

Every person seeking to become registered as a professional engineer or seeking to become certified as an engineer intern shall file an application on forms provided by the board. The application shall be made under oath and shall include:

(a) The level of education of the applicant;

(b) A summary of the applicant's technical experience; and

(c) The names and complete mailing addresses of any references.

Applicants may not use the names of board members as references.

In lieu of information required on the board's application forms, the board may accept the verified information contained in a valid council record issued by the national council of examiners for engineering and surveying for professional engineer applicants.

The board shall set fees for all applicants for registration and certification by promulgating legislative rules under the provisions of article three, chapter twenty-nine-a of this code.

Fees of unsuccessful applicants and the fees of applicants who have been refused registration or certification for any purpose shall be retained by the board to cover administrative costs.

§30-13-15. Examinations.

(a) The board has the power to establish, by legislative rule, the requirements for examination for registration as a professional engineer and certification as an engineer intern including, but not limited to, the following criteria: subject matter, prerequisites for testing, passing score, examination sites and schedules, entities authorized to administer examinations, prerequisites for testing and form of testing, including examination by electronic or other means.

(b) The board's rules for examination shall include the following minimum requirements:

(1) An examination to qualify to be an engineer intern, to test the applicant's knowledge and understanding of the fundamentals of engineering; and

(2) An examination to qualify as a professional engineer, to test the applicant's knowledge and understanding of the principles and practice of engineering.

(c) If the board determines that the safe and ethical practice of engineering in this state requires examination of matters specific to the law and practice in this state, the board may also establish criteria, by legislative rule, for an examination of the applicant's knowledge and understanding of this state's statutes, rules, professional ethics and design requirements.

(d) A candidate for registration as a professional engineer who fails the examination of the principles and practice of engineering may retake the examination one time upon payment of the fee established by the board. In the event of a second failure, the candidate may not repeat the examination unless the examinee demonstrates to the board that he or she has pursued additional instruction or training to correct the candidate's deficit areas of knowledge.

(e) In the event that examination requirements, test administration procedures, scoring or testing methods are modified by a board-approved testing entity providing standard tests for use by the board, the board has the authority to promulgate emergency rules to adopt and reflect those changes.

§30-13-16. Certificates and seals.

(a) The board shall issue a certificate of registration to any applicant who, in the opinion of the board, has met the requirements of this article. The certificate of registration shall carry the designation "professional engineer." It shall give the full name of the registrant with their registration number and shall be signed by the chairman and the secretary under the seal of the board. The certificate of registration grants the recipient authority to practice in this state.

(b) An unexpired and unrevoked certificate is prima facie evidence that the person named on it is entitled to all rights, privileges and responsibilities of a professional engineer.

(c) Every registrant shall obtain a seal for use in identifying his or her official professional work. The design of the seal shall be determined by the board and shall bear the registrant's name, registrant's registration number, the legend "registered professional engineer, state of West Virginia" and such other words or figures as the board may prescribe. The seal may be a rubber stamp. Whenever the seal is applied, the registrant's written signature shall be adjacent to or across the seal. No further words or wording are required. A facsimile signature is not acceptable. Whenever presented to a client or any public or governmental agency, the seal, signature and date shall be placed on all specifications, reports, drawings, plans, design information and calculations in accordance with rules promulgated by the board. The seal and signature shall be used by registrants only when the work being stamped was under the registrant's complete direction and control.

In the case of a registrant of another state using a temporary permit issued by this state, the registrant shall use the state of permanent registration seal and shall affix his or her signature and temporary permit number to all work. In the case of a registrant checking the work of an out-of-state registrant, the state registrant shall completely check and have complete dominion and control of the design. The complete dominion and control includes possession of the sealed and signed reproducible construction drawings with complete signed and sealed design calculations indicating all changes in design.

(d) The board shall issue to any applicant who, in the opinion of the board, has met the requirements of this article, an enrollment card as engineer intern, which indicates that his or her name has been recorded in the board office. The engineer intern enrollment card does not authorize the holder to practice as a professional engineer. It is unlawful for a registrant to affix or to permit his or her seal and signature to be affixed to any document after the expiration of his or her certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provisions of this article.

§30-13-17. Certificates of authorization required; naming of engineering firms.

(a) No person or firm is authorized to practice or offer to practice engineering in this state until the person or firm has been issued a certificate of authorization by the board.

(b) A person or firm desiring a certificate of authorization must file all the required information with the board on an application form specified by the board. The required information shall include the sworn statement of the engineer in responsible charge who is a professional engineer registered in this state. The board shall issue a certificate of authorization to an applicant who has met all the requirements and paid the fees set forth in board rules.

(c) No person or firm is relieved of responsibility for the conduct or acts of its agents, employees, officers or partners due to compliance with the provisions of this article. No individual practicing engineering under the provisions of this article is relieved of responsibility for engineering services performed due to his or her employment or other relationship with a person or firm holding a certificate of authorization.

(d) An engineer who renders occasional, part-time or contract engineering services to or for a firm may not be designated as being in responsible charge for the professional activities of the firm unless that engineer is an owner or principal of the firm.

(e) The Secretary of State shall not issue a certificate of authority or business registration or license to an applicant whose business includes, among the objectives for which it is established, the words engineer, engineering or any modification or derivation thereof unless the board of registration for this profession has issued to the applicant a certificate of authorization or a letter indicating eligibility to receive the certificate. The certificate or letter from the board shall be filed with the application filed with the Secretary of State to do business in West Virginia.

(f) The Secretary of State shall decline to register a trade name or service mark which includes the words engineer, engineering or modifications or derivatives thereof in its business name or logotype except those businesses holding a certificate of authorization issued under the provisions of this article.

(g) The certificate of authorization may be renewed or reinstated in accordance with board rule and upon payment of the required fees.

(h) Every holder of a certificate of authorization has a duty to notify the board promptly of any change in information previously submitted to the board in an application for a certificate of authorization.

§30-13-18. Renewals and reinstatement.

(a) Certificates of registration and certificates of authorization expire on the last day of December of the year indicated on the certificate, and the holder of any certificate that is not timely renewed is ineligible to practice or offer to practice engineering in this state until the certificate has been reinstated in accordance with rules promulgated by the board.

(b) Certificates may be renewed only in accordance with board rule, which may include payment of a late fee for renewals not postmarked by December 31 of the year in which renewal is required. The board shall notify every person or firm holding an active certificate under this article of the certificate renewal requirements at least one month prior to the renewal date. The notice shall be made by mail or electronic means using the contact information provided to the board.

(c) A certificate that was not timely renewed or for other reason was given a nonpracticing status may be reinstated under rules promulgated by the board and may require reexamination and payment of fees set forth in board rules.

(d) Effective July 1, 2015, the board may renew certificates on a biennial basis.

(e) The board shall promulgate emergency rules pursuant to section fifteen, article three, chapter twenty-nine-a of this code to implement the provisions of this section.

§30-13-19. Reissuance of certificates.

A new certificate of registration or certificate of authorization to replace any certificate lost, destroyed or mutilated may be issued subject to the rules of the board. A charge established by rule shall be made for each new certificate.

§30-13-20. Public works.

Government agencies, authorities, officials and employees may not engage in the practice of engineering involving either public or private property unless the provisions of this article are met.

§30-13-21. Disciplinary action — Revocation, suspension, refusal to issue, restore or renew, probation, civil penalty, reprimand.

(a) The board may suspend or revoke or refuse to issue, restore or renew a certificate of registration of, or place on probation, impose a civil penalty or reprimand any professional engineer who has:

(1) Perpetrated any fraud or deceit in obtaining or attempting to obtain or renew a certificate of registration or certificate of authorization;

(2) Been negligent, incompetent or committed an act of misconduct in the practice of engineering;

(3) Been convicted of or has entered a plea of nolo contendere to any crime under the laws of the United States or any state or territory thereof, which is a felony whether related to practice or not; and conviction of or entry of a plea of nolo contendere to any crime, whether a felony, misdemeanor or otherwise, an essential element of which is dishonesty, or which is directly related to the practice of engineering;

(4) Failed to comply with any of the provisions of this article or any of the rules promulgated under it;

(5) Been disciplined by another state, territory, the District of Columbia, foreign country, the United States government or any other governmental agency, if at least one of the grounds for discipline is the same or substantially equivalent to those grounds for discipline contained in this article;

(6) Failed within thirty days to provide information requested by the board as a result of a formal or informal complaint to the board which would indicate a violation of this article;

(7) Knowingly made false statements or signed false statements, certificates or affidavits to induce payment;

(8) Aided or assisted another person in violating any provision of this article or the rules promulgated;

(9) Violated any terms of probation imposed by the board or using a seal or practicing engineering while the professional engineer's license is suspended, revoked, nonrenewed or inactive;

(10) Signed or affixed the professional engineer's seal or permitted the professional engineer's seal or signature to be affixed to any specifications, reports, drawings, plans, design information, construction documents or calculations or revisions which have not been prepared or completely checked by the professional engineer or under the professional engineer's direct supervision or control;

(11) Engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public;

(12) Provided false testimony or information to the board; and

(13) Been habitually intoxicated or addicted to or by the use of drugs or alcohol.

(b) In addition to any other penalty provided in this article, the board may assess civil penalties against any person who violates any provision of this article or any rule promulgated by the board for each offense in an amount determined by the board.

(c) The board shall prepare and shall adopt "rules of professional responsibility for professional engineers." The board may revise and amend these "rules of professional responsibility for professional engineers" from time to time and shall notify each registrant in writing of any revisions or amendments.

(d) The board may:

(1) Revoke a certificate of authorization;

(2) Suspend a certificate of authorization of any firm for a period of time not exceeding two years where one or more of its officers or directors of the firm have been found guilty of any conduct which would authorize a revocation or suspension of his or her certificate of registration under the provisions of this article;

(3) Place the person or firm on probation for a period of time and make the person or firm subject to conditions as the board may specify;

(4) Assess a civil penalty and related costs for each count or separate offense in an amount set by the board.

§30-13-22. Disciplinary action — Procedures.

(a) Any person may file a complaint with the board that a person or firm subject to the provisions of this article has committed a fraud, been deceitful, been grossly negligent, incompetent, guilty of misconduct or has violated the "rules of professional responsibility for professional engineers."

(b) All complaints, unless dismissed by the board as unfounded, trivial or unless settled informally, shall be heard by the board within six months after the date each complaint was received by the board.

(c) The board shall fix the time and place for hearings on complaints and a copy of all charges, together with a notice of the time and place of hearing on the complaint the person or firm complained against or mailed to the last known address of the person or firm at least thirty days prior to the hearing. At the hearing, the person or firm shall have the right to appear in person or by counsel, or both, to cross-examine witnesses and to produce evidence and witnesses in his, her or its defense. If the accused person or firm fails or refuses to appear, the board may proceed to hear the complaint and determine the validity of the charges.

(d) If after the hearing a majority of the board votes in favor of sustaining the charges, the board shall reprimand or assess a civil penalty against the person or firm complained against. The board may also suspend, revoke, refuse to issue or refuse to restore or renew an individual's certificate of registration or a firm's certificate of authorization. In addition, the board may place a registrant on probation.

(e) Any person or firm aggrieved by any action of the board in assessing a civil penalty, denying, suspending, refusing to issue, refusing to restore or renew or revoking a certificate of registration or a certificate of authorization, may appeal the board's decision to the circuit court.

(f) Any civil penalty assessed as a result of a hearing shall be paid within fifty days after the decision becomes final.

(g) The board may, upon petition of a person or firm, reissue a certificate of registration or authorization, provided that a majority of the members of the board votes in favor of such issuance.

§30-13-23. Criminal offenses.

Any person who practices or offers to practice engineering in this state without being registered in accordance with the provisions of this article, or any person, firm, partnership, organization, association, corporation or other entity using or employing the words engineer, engineering or any modification or derivative thereof in its name or form of business activity except as authorized in this article, or any person presenting or attempting to use the certificate of registration or the seal of another, or any person who gives any false or forged evidence of any kind to the board or to any member thereof in obtaining or attempting to obtain a certificate of registration, or any person who falsely impersonates any other registrant of like or different name, or any person who attempts to use an expired, suspended or revoked or nonexistent certificate of registration, or who practices or offers to practice when not qualified, or any person who falsely claims that he or she is registered or authorized under this article, or any person who violates any of the provisions of this article is guilty of a misdemeanor, and, upon conviction thereof, shall be fined not more than five hundred dollars, or imprisoned in the county jail not more than six months, or both fined and imprisoned.

Any person who commits a second or subsequent offense under this section is guilty of a felony, and, upon conviction thereof, shall be imprisoned in the penitentiary not less than ten nor more than twenty years.

The attorney general may act as legal adviser to the board and render any legal assistance as may be necessary in carrying out the provisions of this article. The board may employ counsel and necessary assistance to aid in the enforcement of this article and the compensation and expenses of the council shall be paid from the funds of the board.

§30-13-24. Exemptions.

This article may not be construed to prevent the practice by:

(a) **Other professions.** – The practice of any other legally recognized profession;

(b) **Temporary permits.** – The practice or offer to practice engineering by a person not a resident of or having no established place of business in this state, provided the person is legally qualified by registration to practice engineering, as defined in this article, in their own state or country. The person shall make application to the board in writing and after payment of a fee established by the board may be granted a written permit for a definite period of time not to exceed one year to do a specific job: Provided, That no right to practice engineering shall accrue to the applicant with respect to any other works not set forth in the permit; and

(c) **Employees and subordinates.** – The work of an employee or a subordinate of a person holding a certificate of registration under this article, or an employee of a person practicing lawfully: Provided, That the work does not include final engineering designs or decisions and is done under the direct supervision of and verified by a person holding a certificate of registration under this article or a person practicing lawfully. Any regular full-time employee of a person, partnership, corporation or other business entity who is engaged solely and exclusively in performing services for such person, partnership, corporation or other business entity, who is not required by any provision of the law other than this article to be a registered professional engineer and whose services are performed on, or in connection with, property owned or leased by such person, partnership, corporation or other business entity, or in which such person, partnership, corporation or other business entity has an interest, estate or possessory right, and are not offered or made available to the public. This exemption includes the use of job title and personal classification by such person, but no name, title or words may be used which tend to convey the impression that an unlicensed person is offering professional engineering services to the public.

Examination, Licensure and Practice of Professional Engineers

§7-1-1. General.

1.1. **Scope**. – This rule sets forth standards for the regulation and conduct of members, records, applications and examinations. This rule is binding upon persons applying and registered under W. Va. Code §30-13-1 et seq. and is applicable to individuals or firms providing engineering services.

1.2. **Authority.** – W. Va. Code §§30-13-9(a), 13, 14, 15, 16(c) 17, 18, 19, 21.

1.3. **Filing Date.** – March 30, 2020

1.4. **Effective Date.** – April 1, 2020

1.5. **Sunset Provision.** – This rule shall terminate and have no further force or effect on April 1, 2030.

1.6. **Amendment of Former Rules.** – This legislative rule amends West Virginia 7CSR1 "Rules Governing The West Virginia Board of Registration for Professional Engineers" filed and effective July 18, 2016.

§7-1-2. Definitions.

2.1. **"ABET"** means ABET, Inc., formally known as the Accreditation Board for Engineering and Technology.

2.2. **"ABET/TAC"** means the Technology Accreditation Commission of ABET, Inc., formally known as the Accreditation Board for Engineering and Technology.

2.3. **"Board"** means the West Virginia State Board of Registration for Professional Engineers.

2.4. **"COA"** means Certificate of Authorization, which is a document required and issued in accordance with §7-1-11of these rules.

2.5. **"College/Unit Semester/Quarter Hour"** means the credit given for courses in an ABET approved program or other Board-approved courses approved in accordance with §7-1-10 of these rules.

2.6. **"Comity Applicant"** means a person who is applying to become a registered PE in West Virginia and is currently in possession of a PE registration or certificate of licensure issued by a proper authority of a jurisdiction other than West Virginia.

2.7. **"EI"** means a certified Engineer Intern, who is a person who has been certified as such by this Board after having met the qualifications set forth in W. Va. Code §30-13-13 and these rules.

2.8. **"FE"** means the Fundamentals of Engineering Examination.

2.9. **"Foreign Degree Applicant"** means a person applying for certification or registration who received a Baccalaureate degree in Engineering from a non-ABET accredited foreign institution outside of the United States.

2.10. **"Firm"** means a firm, corporation, partnership, joint stock association, private practitioner employing others, or sole proprietor employing no one but himself/herself which practices or offers to practice engineering.

2.11. **"Initial license"** means obtaining a license in West Virginia for the practice of engineering for the first time.

2.12. **"License"** or **"licensure"** means the official authorization by the Board to engage in the practice of or the offering of engineering in the state.

2.13. **"Low-income individual"** means an individual in the local labor market as defined in W. Va. Code §21-1C-2, whose household adjusted gross income is below 130 percent of the federal poverty line. This term also includes any person enrolled in a state or federal public assistance program including, but not limited to, the Temporary Assistance for Needy Families Program (TANF), Medicaid, or the Supplemental Nutrition Assistance Program (SNAP).

2.14. **"Military families"** means any person who serves as an active member of the armed forces of the United States, the National Guard, or a reserve component as described in 38 U. S. C. §101, honorably discharged veterans of those forces, and their spouses. This term also includes surviving spouses of deceased service members who have not remarried.

2.15. **"NCEES"** means the National Council of Examiners for Engineering and Surveying.

2.16. **"PDH"** means a Professional Development Hour, which is one contact hour of instruction or presentation designed to keep a professional engineer current in his or her branch/discipline.

2.17. **"PE"** means a registrant or registered Professional Engineer, who is a person who has passed the PE exam and is an acronym used after an engineer's name to indicate he or she is a registered engineer with the Board.

2.18. **"PE exam"** means the Principles and Practice of Engineering Examination.

2.19. **"Registrant"** means a PE.

2.20. **"Satisfactory"** means that which a reasonable person would find acceptable for purposes of applying to the Board for licensure.

2.21. **"Status"** refers to the designation of a current or former registrant, including the designations of nonpracticing status set forth in W. Va. Code §30-13-13a.

2.22. **"Unreversed"**, as that term refers to a criminal conviction, means that a conviction has not been set aside, vacated, pardoned, or expunged.

§7-1-3. EI and PE Applications.

3.1. Types of Applications.

(a) **PE Application.** A person applying to the Board for registration as a Professional Engineer shall pass the FE and PE examinations in accordance with §7-1-5.2 and §7-1-5.3 of these rules and submit to the Board a completed application on forms prescribed by the Board.

(b) **EI Application.** A person applying to the Board for certification as an Engineer Intern shall pass the FE examination in accordance with §7-1-5.3 of these rules and submit to the Board a completed application on forms prescribed by the Board.

3.2. Criteria for Applications.

(a) The Board shall only consider applications completed in accordance with §7-1-3.4 of these rules.

(b) EI Certification. The Board shall accept applications for EI certification from persons who meet all of the requirements of W. Va. Code §30-13-13.

(1) A person with a baccalaureate degree from a Board-approved curriculum as defined in §7-1-3.5(a) of these rules who has passed the FE examination may apply for certification as an EI.

(2) An EI applicant who graduated from a four-year engineering technology program accredited by the TAC/ABET may only be certified as an EI after the applicant has presented evidence of two (2) years of work experience in accordance with §7-1-3.6 of this rule.

3.3. Applications Generally.

(a) Form of Applications. Applications shall be completely filled out on forms prescribed and provided by the Board. It is the responsibility of the applicant to submit to the Board a completed application package as set forth in this section.

(b) Translations. All foreign language documentation shall be accompanied by translations certified to be accurate by a competent authority recognized by the Board.

(c) Submission under Oath. All applications made to this Board shall be subscribed and sworn to before a Notary Public or other persons qualified to administer oaths on the forms used by the applicant.

(d) Staff Review of Applications. The Board staff shall review the submitted application package and shall notify the applicant if the package is not complete as set forth in §7-1-3.4 below. The Board shall not act upon an application until the applicant has submitted a completed application package. Upon such submission, the Board shall act in accordance with §7-1-4.

(e) Confidentiality of Applications. References and transcripts received in accordance with §7-1-3.7 of these rules shall be kept confidential, and the Board shall place all such confidential records regarding the qualifications of an applicant in files that are considered non-public records. The Board shall not divulge the source and character of the information except in special cases when required by law.

(f) Retention of Applications. The Board shall make copies of all approved applications which show the name, date of birth, the date of application, education, experience and other qualifications of the applicant, the examination required of the applicant, and the Board granted registration or certification notice. The Board shall store the duplicate copies of these records and one copy shall be stored in fireproof and secure facilities.

3.4. Completed Application Package.

(a) Definition. A completed application package shall include the following:

(1) The requisite education as set forth in §7-1-3.5 of these rules, which education shall be obtained prior to the time of submitting the application;

(2) The requisite work experience as set forth in §7-1-3.6 of these rules, which experience shall be obtained prior to the time of submitting the application;

(3) The references required in §7-1-3.7 of these rules;

(4) One (1) passport-like photo taken within six (6) months of the date of application;

(5) Such fee(s) as are required in §7-1-13.4 of these rules, including the non-refundable application fee.

(6) Verification of passage of the FE and PE exams.

(b) The Board shall accept an application for PE registration that includes the documented NCEES Record properly executed and issued with verification by NCEES in lieu of that portion of the application form prescribed by the Board.

(c) Specific application requirements.

(1) **Comity Applicant.** In addition to the requirements set forth in this section, comity applicants shall also provide verification of current registration in a jurisdiction where they currently live and/or work.

(2) **Foreign Degree Applicants.** In addition to the requirements set forth in this section, applicants with degrees from foreign schools shall also meet the requirements set forth in subsection 3.5.c.

3.5 Education.

(a) Board-approved curricula. The term "a graduate of a curriculum of four years or more approved by the Board as being of satisfactory standing" used in W. Va. Code §30-13-13(a)(5) is interpreted by this Board to mean a person who has:

(1) a Baccalaureate Degree in Engineering from a school whose curricula are accredited by ABET at the time of the awarding of the degree;

(2) a Baccalaureate Degree in Engineering Technology from a school whose curricula is accredited by ABET/TAC at the time of the awarding of the degree;

(3) a Baccalaureate Degree in Engineering from a school whose curricula is evaluated by the Board and found to be of a high quality essentially equal to those curricula which are accredited by ABET;

(4) a Baccalaureate Degree from a school whose curricula is evaluated by the Board and found to be of a high quality essentially equal to those curricula which are accredited by ABET, in addition to a Master's and/or Ph.D. in Engineering from a school whose undergraduate program in that engineering area is accredited by ABET.

(b) Transcripts. Upon graduation, it is the responsibility of the applicant to have transcripts of all college grades sent directly from the school or college to the Board with the signature of the proper school officer and the official seal of the school.

(c) Degrees from Non-ABET-Accredited Foreign Institutions. All applicants with an undergraduate degree from a non-ABET-accredited foreign institution shall comply with one of the following:

(1) If an applicant receives only a Baccalaureate degree in Engineering from a foreign institution not accredited by ABET, he or she shall submit a foreign degree evaluation. An applicant who is required to submit a foreign degree evaluation shall use NCEES or such other evaluation service as may be approved by the Board.

(2) If an applicant receives a Baccalaureate degree in Engineering or related curricula from a foreign institution not accredited by ABET, and Master's and/or Ph.D. degree in Engineering from an institution whose undergraduate program is ABET accredited, the Board may review the applicant's transcripts and waive the requirement to submit a foreign degree evaluation.

3.6. Employment; work experience. Employment and work experience verifications are the responsibility of the applicant and shall be submitted on forms supplied by the Board as part of the completed application package.

(a) Requirements.

(1) **Number of Years.** A PE applicant who has earned the degree described in §7-1-3.5(a)(1) or §7-1-3.5(a)(3) shall demonstrate that he or she has obtained a minimum of four (4) years of experience satisfactory to the Board. A PE applicant who has earned the degree described in §7-1-3.5(a)(2) shall demonstrate that he or she has obtained a minimum of six (6) years of experience satisfactory to the Board.

(b) Satisfactory Experience.

(1) The applicant's experience on engineering projects shall be broad in scope in his or her branch/discipline and progressive in that it was of increasing quality and required greater responsibility.

(2) The experience should be under the supervision of a registered Professional Engineer. If not, the applicant shall explain why the Board should consider the experience acceptable.

(3) Upon review of the completed application package, the Board may credit experience based on the following:

(A) Armed Services. Experience gained in the Armed Services shall be of a character equivalent to that which would have been gained in the civilian sector doing similar work. A good indicator of equivalence is that the applicant while in the Armed Services served in an engineering or engineering-related group.

(B) Sales or supervision. For sales experience or construction supervision experience to be satisfactory, the applicant shall prove that engineering principles were required and used while gaining this experience.

(C) Teaching. The Board may classify the teaching of courses in ABET-approved programs as satisfactory experience.

(D) **Research.** The Board may credit experience gained in the performing of engineering research or projects if the applicant at the time was a member of an engineering faculty or higher at an institution with a Board approved curricula as defined in §7-1-3.5(a).

(E) **Graduate Studies.** The Board may credit an applicant who has followed Board-approved curricula as defined in §7-1-3.5(a) with a Master's degree in engineering with one year's experience. If such applicant follows the Master's degree in engineering with a Doctor of Philosophy degree in engineering, the Board may credit the applicant with an additional year of experience. If the Doctor of Philosophy degree is obtained without the Master's degree, the applicant may be credited with two years of experience.

(c) **Verifications.** The verifications shall include the following:

(1) **Time Period.** The Board shall consider only the experience an applicant obtains after he or she graduates from a Board-approved curriculum.

(2) **Documentation.** An applicant shall provide a detailed description of the nature of the work and duties he or she has performed on forms supplied by the Board. The applicant shall account for all employment or work experience for the period of time that has elapsed since graduation from the Board-approved curriculum. If the applicant was not employed or was employed in other kinds of work, he or she should indicate this in the experience record.

3.7. References.

(a) It is the responsibility of the applicant to supply all references on forms supplied by the Board. A PE applicant shall submit satisfactory references from five individuals, three of whom shall be professional engineers having personal knowledge of the applicant's engineering experience and ability. Also, the applicant should preferably include in the references individuals familiar with the applicant's experience noted in the employment section of the application. An EI applicant shall submit at least three satisfactory character references.

(b) An applicant may not use a relative or a current Board member as a reference.

(c) An applicant shall provide each individual being used as a reference with the Board-approved reference form. The reference form shall be returned to the applicant in a signed, sealed envelope to be included in the applicant's completed application package.

§7-1-4. Board Actions on Applications.

4.1. The Board shall take action on all submitted applications.

(a) The application must be complete as set forth in §7-1-3.4 of these rules before the Board considers the application.

(b) The Board may approve, defer, or deny an application.

(1) **Approval.** When an application is approved by the Board, it indicates that the applicant has met all the requirements for registration or certification required by the statutes of this state, and the Board shall grant the applicant a registration or certification. The Board shall notify the applicant of the approval.

(2) **Deferral.** When an application is deferred by the Board, it indicates that the applicant must take further steps to meet the requirements for registration or certification required by the statutes of this state, and the Board shall retain the deferred application until the applicant submits the additional information required by the Board. The Board shall notify the applicant of the deficiencies.

(3) **Denial.** When an application is denied by the Board, it indicates that the applicant has not met the requirements for registration or certification required by the statutes of this state, and the Board shall retain the denied application for one year and then may dispose of it. The Board shall notify the applicant of the denial.

4.2. The Board may defer or deny any application of an applicant who has not provided or withheld information, provided statements that are untrue or misrepresented the facts.

4.3. Reconsideration of Applications. An applicant may request that the Board reconsider an application that has been denied when the request is based on additional information and/or evidence that could affect the original decision. An applicant shall make the request for reconsideration within one year after the decision was made to deny the original application.

4.4. Consideration of Criminal Records.

(a) Notwithstanding other provisions of this rule, the Board may not disqualify an applicant from initial licensure as outlined in W.Va. Code §30-1-1 et seq. Specifically, the Board may not disqualify an applicant from initial licensure because of a prior criminal conviction that remains unreversed unless that conviction is for a crime that bears a rational nexus to the practice of engineering. In determining whether a criminal conviction bears a rational nexus to the practice of engineering, the Board shall consider at a minimum:

(1) The nature and seriousness of the crime for which the individual was convicted;

(2) The passage of time since the commission of the crime;

(3) The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of a licensed engineer; and

(4) Any evidence of rehabilitation or treatment undertaken by the individual.

(b) Notwithstanding any other provision of W.Va. Code §30-1-1 et seq. to the contrary, if an applicant has been denied licensure because of a prior criminal conviction, the Board shall permit the applicant to apply for initial licensure if:

(1) A period of five years has elapsed from the date of conviction or the date of release from incarceration, whichever is later;

(2) The individual has not been convicted of any other crime during the period of time following the disqualifying offense; and

(3) The conviction was not for an offense of a violent or sexual nature: Provided, that a conviction for an offense of a violent or sexual nature may subject an individual to a longer period of disqualification from licensure, to be determined by the Board on a case by case basis.

(c) Petition for licensure eligibility determination. An individual with a criminal record who has not previously applied for licensure may petition to the Board at any time for a determination of whether the individual's criminal record will disqualify the individual from obtaining a license. The petition shall be submitted on the application form prescribed by the Board and shall include sufficient details about the individual's criminal record to enable the Board to identify the jurisdiction where the conviction occurred, the date of the conviction, and the specific nature of the conviction.

(1) An individual may include with the petition evidence of rehabilitation, letters of reference, and any other information the applicant deems relevant.

(2) The Board shall provide the determination within 60 days of receiving the petition.

§7-1-5. Examinations.

5.1. Examinations Generally.

(a) **Examination Dates and Locations.** Examinations are offered on dates and at locations set by NCEES, and information regarding the schedule and locations of examinations is available from the Board and NCEES.

(b) **Language of the Examination.** The language used in the examination is English.

(c) **Study Information.** The Board or NCEES shall make available NCEES-published specifications for examinations, which shall not include copies of questions used on prior examinations. The Board may provide such other information available to examinees as may be lawful and helpful to the examinee.

(d) **Instructions for Examinees.** Instructions provided prior to each examination shall declare an examination to be open or closed book. Materials permitted in the examination room shall be listed in the instruction information provided to each applicant by the Board or NCEES upon confirmation of their approval to take an examination.

(e) **Fees.** Application and examination fees are listed in §7-1-13.4 of this rule. All fees are non-refundable. The Board in accordance with Board policy may waive fees.

5.2 . PE Examinations.

(a) NCEES is wholly responsible for all matters related to administration of the PE examination and sets all policies, practices and procedures for the PE examination, including the dates and locations.

(b) Information regarding NCEES administration of the PE examination including times, dates and locations is available from both the Board and NCEES.

(c) Persons wanting to take the PE examination shall apply for the PE directly with NCEES without prior approval of the Board.

(d) PE examinees will be notified by NCEES whether the examinee passed or failed the examination.

(e) Additional Branches/Disciplines.

(1) Upon payment of the prescribed fees listed in §7-1-13.4 of this rule, a PE currently registered by this Board may take examinations in additional branches/disciplines of the PE examination offered by NCEES. The Board shall record the passing of the examination.

(2) If an applicant fails to pass the examination in an additional branch/discipline, he or she retains his or her current registration status.

(3) As with the initial registration, there shall be no reference to additional engineering branches/disciplines in the successful examinee's certificate or seal.

5.3. FE Examinations.

(a) NCEES is wholly responsible for all matters related to administration of the FE examination and sets all policies, practices and procedures for the FE examination, including the dates and locations.

(b) Information regarding NCEES administration of the FE examination including times, dates and locations is available from both the Board and NCEES.

(c) Persons wanting to take the FE examination shall apply for the FE directly with NCEES without prior approval of the Board.

(d) The Board recommends that persons seeking EI certification apply to NCEES to take the FE during his or her senior year of a Board-approved curricula or as soon thereafter as possible.

(e) FE examinees will be notified by NCEES whether the examinee passed or failed the examination.

§7-1-6. Engineering Registration and Certification; Designations of Nonpracticing Status of Former Registrants.

6.1. Classifications of Registration. The Board shall register or certify a qualified applicant under one of the following classifications, of which only a professional engineer is qualified to practice or offer to practice engineering in West Virginia:

(a) Professional Engineer;

(b) Engineer Intern; or

(c) Professional Engineer-Retired.

6.2. Professional Engineer.

(a) PE Registration Numbers. The Board shall assign each successful applicant a registration number. Numbers are issued consecutively in the order in which an applicant is authorized to obtain a seal. The Board shall advise the successful applicant of his or her number.

(b) The Board shall grant an applicant authorization to obtain a seal who has met all the requirements of the W. Va. Code §30-13 and rules promulgated under this Code as they pertain to education, experience, and upon passing the required FE and PE examinations.

(c) Certificates of Registration. The Board shall issue a certificate of registration and similar wallet card to an applicant who has met the requirements of this state and who has submitted a copy of a satisfactory West Virginia PE seal and

has paid the certificate fee prescribed in §7-1-13.4. The certificate signed by the Board members shall show the registrant's registration number and seal of the Board.

(d) **Replacement of Certificate.** The registrant shall notify the Board when a certificate of registration is lost, destroyed or mutilated, and, if the registrant is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.

6.3. Engineer Intern.

(a) **EI Certification Numbers.** The Board shall assign each EI a certification number at the time certification is granted by the Board. Numbers are issued consecutively in the order in which an applicant is granted certification. The Board shall advise the EI of his or her number.

(b) The Board shall grant an applicant who has met all the requirements of the W. Va. Code §30-13 and rules promulgated under this Code as they pertain to education, experience, and upon passing the required FE examination, a certificate of certification to serve as an EI in West Virginia.

(c) **Certificates of Certification.** The Board shall issue a certificate of certification and similar wallet card to an applicant who has met the requirements of this state and who has paid all fees. The certificate signed by the Board members shall show the EI's certification number and seal of the Board.

(d) **Replacement of Certificate.** The EI shall notify the Board when a certificate of certification is lost, destroyed or mutilated, and, if the EI is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.

6.4. Professional Engineer-Retired.

(a) **Registration Numbers.** The Board shall reserve the original assigned registration number for any PE who elects to convert to Professional Engineer-Retired status. This number will remain on file in the event that the retired engineer should chose to reinstate his or her PE registration in accordance with §7-1-9.3 and §7-1-10.10 of these rules.

(b) **Documentation of Retired Status.** The Board shall issue an appropriate wallet card to an applicant who has met the requirements of this state and who has paid appropriate fees.

(c) **PE-Retired status is a nonpracticing status.** Registrants who elect PE-Retired status must retire their seal and certify that they are no longer receiving remuneration from providing professional engineering services.

6.5. Updated Information. It is the EI's or PE's responsibility to notify the Board within thirty days of any change in information previously submitted to the Board, such as name change, change of address, change of employer, or similar matter requiring current information.

6.6. Other designations of nonpracticing status. In addition to a retired status or revoked status, the Board recognizes the following additional designations, all of which describe a type of nonpracticing status which does not qualify the former registrant to practice or offer to practice engineering in the state of West Virginia:

(a) **Professional Engineer - Inactive.** An active PE or PE-Retired may elect to re-designate his or her status to Professional Engineer-Inactive upon application for inactive status which states that he or she is no longer practicing or offering to practice engineering in this state for remuneration and may seek reinstatement to active status only in accordance with §7-1-9.3 and §7-1-10.10 of these rules.

(b) **Professional Engineer - Lapsed.** A PE who has not renewed his or her active status in accordance with §7-1-9.2 of these rules or has not applied for a re-designation to retired or inactive status shall be re-designated by the Board to Professional Engineer-Lapsed without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-9.3 and §7-1-10.10 of these rules.

(c) **Professional Engineer - Invalidated.** A PE who is unable to provide sufficient proof that any condition of renewal set forth in W. Va. Code §30-13-1 et seq. or these rules has been met shall be re-designated by the Board to Professional Engineer-Invalidated without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-9.3 and §7-1-10.10 of these rules.

§7-1-7. Seals.

7.1. **Seal of the Board.** The seal of the Board shall be affixed to each certificate of registration.

7.2. **Seal of Registrant.** When an applicant is granted registration he or she shall obtain an official seal of the size and design prescribed by the Board. The seal shall contain the following information:

(a) The words "State of West Virginia";

(b) The registrant's name;

(c) The registrant's registration number; and

(d) The words "Registered Professional Engineer."

(e) The seal may be a rubber stamp, electronic or one that embosses.

(f) The seal shall not reference any engineering branch/discipline.
The following is a sample of the suggested format:

Official Seal Sample

7.3. **Seal on Documents.**

(a) A registrant's seal and signature and the date shall appear on the first or title page of all final and/or record documents of specifications, reports, drawings, plans, design information and calculations presented to a client or any public or government agency to certify that the work was done by the registrant or under the control of the registrant.

(b) The registrant signing and sealing the first or title page of documents shall be the firm's PE in responsible charge as designated on the firm's COA application or the project engineer.

(c) Revisions shall be numbered, dated, initialed, and sealed by the registrant responsible for the revision.

(d) When copies are to be made, the registrant's seal and signature on all originals, tracings or other documents shall be reproducible.

(e) Each registrant is solely responsible for the use of his or her seal.

(f) When a registrant examines and verifies the engineering work of another, the registrant must take complete dominion and control of the design, which includes possession of the sealed and signed reproducible construction drawings with complete signed and sealed design calculations indicating all changes in design.

(g) The Board authorizes the electronic reproduction of a seal when the resulting reproduction meets the specifications of 7.2. The registrant is responsible for the improper use of the seal on work not prepared either by the registrant or under his or her direct supervision.

(h) It is the responsibility of each registrant to report the loss or theft of his or her seal to the Board as soon as practical after the loss or theft.

§7-1-8. Temporary Permits.

Any application for a temporary permit as authorized by W. Va. Code §30-13-24(b) will be processed as a comity application as set forth in §7-1-3.4(c)(1).

§7-1-9. Expirations, Renewals and Reinstatements to Active Status.

9.1. Expiration. PE registrations expire on December 31st of each even-numbered year and shall be re-designated as lapsed without further action by the Board after that date unless renewed in accordance with subsection 9.2 below.

9.2. Renewals.

(a) The Board shall, during the month of November of every even-numbered year, send a renewal notice by electronic means or by mail to the last known address of every person currently registered by the Board. The notice shall indicate the expiration date of the PE registration and the amount of the renewal fee established by the Board.

(b) The renewal form, which shall be completed and include documentation in compliance with Section 10 and any other applicable provisions of these rules, and the applicable fee, shall be received by the Board on or before the date of expiration appearing on the license being renewed.

(c) Renewals postmarked or submitted online between January 1st to 31st after the expiration date shall render the PE registration valid upon payment of the late fee set forth in §7-1-13.5 of these rules.

(d) Any renewal postmarked or submitted online on or after February 1st after the expiration date will be rejected, any fee returned, and the registration will be re-designated as lapsed without further action by the Board.

9.3. **Reinstatement to active status.** A former PE desiring to reinstate his or her registration to active status from a nonpracticing status as defined in W. Va. Code §30-13-13a shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules.

§7-1-10. Continuing Professional Competency.

10.1. As a condition of registration renewal, every registrant shall show evidence that he or she obtained thirty (30) professional development hours (PDH's) during the previous two years.

10.2. Requirements. A registrant may earn PDH's by providing evidence of:

(a) Successful completion of college courses;

(b) Successful completion of continuing education courses;

(c) Successful completion of on-line, correspondence, televised, videotaped, and other short courses or tutorials;

(d) Actively participating in seminars, in-house courses, workshops, technical committees of professional engineering organizations, and professional conventions;

(e) Teaching or instructing in the activities set forth in subsections 10.2.a. through 10.2.d. if such teaching or instruction is outside of the registrant's regular employment duties or if the registrant can document such teaching activity or instruction was newly developed and presented for the first time; or

(f) Authoring published papers, articles, or books.

10.3. If a registrant exceeds the requirement in any two-year period of licensure, he or she may carry a maximum of fifteen (15) PDH's forward into the subsequent two-year licensure period.

10.4. **Units.** The conversion of other units of credit to PDH units is as follows:

1 College or unit semester hour	15 PDH's
1 College or unit quarter hour	10 PDH's
1 Continuing Education Unit (CEU)	10 PDH's
1 Hour of professional development in course work, seminars, professional conventions, workshops, technical committee work	1 PDH
1 Hour of teaching professional development in course work, seminars, professional conventions, workshops	2 PDH's
Each published paper or patent on engineering subjects	10 PDH's

10.5. **Determination of Credit.** The Board has final authority with respect to approval of courses, credit, PDH value for courses, and other methods of earning credit. No pre-approval of offerings will be issued. The Board may deny or invalidate any renewal upon a determination of insufficient or unsatisfactory continuing education.

10.6. **Forms.** All renewal applications require the completion of a continuing education form specified by the Board outlining PDH credit claimed. The registrant shall supply sufficient detail on the form to permit review for approval, shall certify and sign the continuing education form, and shall submit the form with the renewal form and fee.

10.7. Record keeping. Each registrant is responsible for his or her own professional development activities. The registrant shall maintain the records to be used to support credits claimed for professional development activities. Records required include, but are not limited to: 1) a log showing the type of activity claimed, the sponsoring organization, the activity's location and duration, the instructor's or speaker's name, and the PDH credits earned; and 2) attendance or participation verification records in the form of completion certificates, paid receipts or other documents supporting evidence of attendance or participation. These records shall be maintained for three renewal periods. Copies of these records and supporting documentation may be requested by the Board for approval and verification purposes.

10.8. Continuing Education Verification.

(a) Any registrant may be audited, including Board members and staff.

(b) Three to five percent (3-5%) of renewals will be selected at random and contacted by the Board to verify compliance with continuing education claims.

(c) Any renewal forms submitted with questionable continuing education shall be added to those selected at random for verification.

(d) All verification submissions will be analyzed by the Board who may recommend continued registration, deny or invalidate the renewal, or take such enforcement action as may be appropriate.

(e) Those who are denied renewal will be provided a thirty (30) day probationary period in which to acquire the necessary continuing education and submit documentation to the Board. If the registrant fails to submit satisfactory documentation in the given time period, the registration shall be re-designated as invalidated without further action by the Board.

(f) A registrant may bring a registration invalidated for insufficient continuing education to active status by obtaining the delinquent PDH's, up to a maximum of thirty (30) PDH's, and submitting a PE reinstatement application and appropriate fees as prescribed in §7-1-13.4.

10.9. Exemptions. An active registrant may be exempt from the professional development educational requirements for one of the following reasons:

(a) A new registrant by way of examination or reciprocity is exempt for his or her first renewal period;

(b) A registrant serving on active duty in the armed forces of the United States for a period of time exceeding one hundred twenty (120) consecutive days in a calendar year is exempt from obtaining the professional development hours required during that year. The Board shall follow all other laws regarding continuing education for licensees on active duty and their spouses to the extent applicable and appropriate;

(c) A registrant experiencing physical disability, illness, or other extenuating circumstances may be exempt subject to review and approval by the Board; the registrant shall furnish supporting documentation to the Board; and

(d) Registrants who list their occupation as "Retired" on the Board-approved renewal form and who further certify that they are no longer receiving any remuneration from providing professional engineering services are exempt from the required professional development hours. In the event a retired engineer elects to return to the active practice as a professional engineer, he or she shall comply with the requirements of §7-1-10.10 before returning to active practice.

10.10. Nonpracticing status. A registrant may bring a registration with a nonpracticing status designation to active status by obtaining the delinquent PDH's, up to a maximum of thirty (30) PDH's, and submitting the PE reinstatement application required by §7-1-9.3.

§7-1-11. Certificates of Authorization.

11.1. COA required; issuance. A COA is required to practice or offer to practice engineering in WV. The Board shall issue a COA to firms who have met all the requirements of the W. Va. Code §30-13-17 and these rules promulgated under the Code to practice or offer to practice engineering in West Virginia. The certificate signed by the Board President shall show the firm's COA number and seal of the Board.

11.2. Classifications of Authorization. The Board shall certify a qualified firm under one of the following classifications:

(a) Sole Proprietor with no employees who practices or offers to practice engineering for compensation or other tangible benefit or remuneration;

(b) Firm with three or fewer Professional Engineers (regardless of PE's state of registration or licensure); or

(c) Firm with four or more Professional Engineers (regardless of the PE's state of registration or licensure).

11.3. Application and Fees. A firm desiring to obtain a COA shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules. Each application, including renewal and reinstatement, requires a sworn statement from the PE in responsible charge as set forth in §30-13-17.

11.4. Expiration, Renewal and Reinstatement.

(a) Expiration. COAs expire on December 31st of each odd-numbered year and are void and re-designated as COA – Lapsed without further action by the Board after that date unless renewed in accordance with subsection 11.4.b. below.

(b) Renewals.

(1) The Board shall, during the month of November of every odd-number year, send a renewal notice by electronic means or by mail to the last known address of every firm currently holding a COA by the Board. The notice shall indicate the expiration date of the COA and the amount of the renewal fee established by the Board.

(2) The completed renewal form and applicable fees shall be received by the Board on or before the expiration date indicated on the certificate.

(c) Renewals received from January 1st to 31st after the expiration date shall render the COA valid upon payment of the late fee set forth in §7-1-13.5 of these rules.

(d) Any renewal postmarked or submitted online on or after February 1st after the year of expiration will be rejected and any fee returned, and the non-renewed COA will be void and re-designated as COA-Lapsed without further action by the Board.

11.5. Designations of nonpracticing status. The Board recognizes the following designations, all of which describe a type of nonpracticing status which does not qualify the former firm or sole proprietor to practice or offer to practice engineering in the state of West Virginia:

(a) COA - Inactive. A firm or sole proprietor with an active COA may elect to re-designate their status to COA-Inactive upon application for inactive status which states the firm or sole proprietor is no longer practicing or offering to practice engineering in this state and may seek reinstatement to active status only in accordance with §7-1-11.6 of these rules.

(b) COA - Lapsed. A firm or sole proprietor who has not renewed their active COA status in accordance with §7-1-11.4 of these rules or has not applied for a re-designation to inactive status shall be re-designated by the Board to COA-Lapsed without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-11.6 of these rules.

(c) COA - Invalidated. A firm or sole proprietor who is unable to provide sufficient proof that any condition of renewal set forth in W. Va. Code §30-13-1 et seq. or these rules has been met shall be re-designated by the Board to Professional Engineer-Invalidated without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-11.6 of these rules.

11.6. Reinstatement. A firm desiring to reinstate a COA shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules.

11.7. COA Number. The Board shall assign each firm a certificate number at the time a COA is granted by the Board. Numbers are issued consecutively in the order in which a firm is granted a COA. The Board shall advise the firm of this number.

11.8. Replacement of Certificate. The firm shall notify the Board when a COA is lost, destroyed or mutilated, and, if the firm is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.

11.9. Updated Information. It is the firm's responsibility to notify the Board within thirty days of any change in information previously submitted to the Board, such as name change, change of address, change of PE in responsible charge, or similar matter requiring current information.

11.10. Limited Liability Firms. The PE in responsible charge on the COA is responsible for compliance with W. Va. Code §30-13-1 et seq. and this rule notwithstanding any limitations of liability provided by W. Va. Code §§47B-3-6 and 31B-13-1305.

§7-1-12. Professional Responsibility.

12.1. Knowledge of Rules. All registrants are charged with having knowledge of the Rules of Professional Responsibility. The rules, and all proposed and adopted amendments to the rules, shall be available on the Board website.

12.2. Rules of Professional Responsibility. To comply with the Board's responsibilities, which are to safeguard life, health and property, to promote the public welfare, and to maintain a high standard of integrity and practice, the Board has developed the following Rules of Professional Responsibility set forth in this section. These rules supplement the provisions for professional responsibility prescribed in W. Va. Code §30-13-21 and are binding on every registrant and firm.

(a) All persons registered in West Virginia are required to be familiar with W. Va. Code §30-13-1 et seq., this rule, and all applicable laws relating to the practice of engineering. The Rules of Professional Responsibility delineate specific obligations the registrant shall meet. In addition, each registrant is charged with the responsibility of adhering to standards of highest ethical and moral conduct in all aspects of the practice of engineering.

(b) The practice of engineering is a privilege, as opposed to a right. All registrants shall exercise this privilege by performing services only in the areas of their competence according to current standards of technical competence.

(c) Registrants shall recognize their responsibility to the public and shall represent themselves before the public only in an objective and truthful manner.

(d) Registrants shall avoid conflicts of interest and faithfully serve the legitimate interests of their employers, clients, and customers within the limits defined by this rule. Their professional reputation shall be built on the merit of their services, and they shall not compete unfairly with others.

12.3. Registrant's Obligation to Society.

(a) Registrants, in the performance of their services for clients, employers and customers, shall be cognizant that their first and foremost responsibility is to the public welfare.

(b) Registrants shall approve and seal only those designs, plans or other documents that conform to accepted engineering standards and safeguard the life, health, property and welfare of the public.

(c) Registrants shall notify their employer or client and other appropriate authority when their professional judgment is overruled under circumstances where the life, health, property, or welfare of the public is endangered.

(d) Registrants shall be objective and truthful in professional reports, statements or testimony. They shall include all relevant and pertinent information in the reports, statements or testimony.

(e) Registrants shall express a professional opinion publicly only when it is founded upon an adequate knowledge of the facts and a competent evaluation of the subject matter.

(f) Registrants shall issue no statements, criticisms or arguments on engineering matters which are inspired or paid for by interested parties, unless they explicitly identify the interested parties on whose behalf they are speaking, and reveal any interest they have in the matters.

(g) Registrants shall not permit the use of their name or firm name, nor associate in business ventures with, any person or firm engaging in fraudulent or dishonest business or professional practices.

(h) Registrants having knowledge of possible violations related to the practice of engineering as set forth in statute or these rules, including the Rules of Professional Responsibility, shall provide the Board with information and assistance necessary to the final determination of the violation.

12.4. Registrant's Obligation to Employer and Clients.

(a) Registrants shall undertake assignments only when qualified by education or experience in the specific technical fields of engineering involved.

(b) Registrants shall not affix their signatures or seals to any plans or documents except in accordance with §30-13-1 et seq. and these rules.

(c) Registrants shall not reveal facts, data or information obtained in a professional capacity without the prior consent of the client or employer except as authorized or required by law.

(d) Registrants shall not solicit or accept financial or other valuable consideration, directly or indirectly, from contractors, their agents, suppliers, manufacturers, or other parties in connection with work for employers or clients.

(e) Registrants shall make full prior disclosures to their employers or clients of potential conflicts of interest or other circumstances which could influence or appear to influence their judgment or the quality of their service.

(f) Registrants shall not accept compensation, financial or otherwise, from more than one party for services pertaining to the same project, unless the circumstances are fully disclosed and agreed to by all interested parties.

(g) Registrants shall not solicit or accept a professional contract from a governmental body on which a principal or officer of their organization serves as a member. Conversely, registrants serving as members, advisors, or employees of a governmental body or department, who are the principals or employees of a private concern, shall not participate in decisions with respect to professional services offered or provided by the private concern to the governmental body which they serve unless their participation is approved by the West Virginia Ethics Commission.

12.5. Registrant's Obligation to Other Registrants.

(a) Registrants shall not falsify or permit misrepresentation of their or their associates' academic or professional qualifications. They shall not misrepresent or exaggerate their degree of responsibility in prior assignments or the complexity of the assignments. Presentations incident to the solicitation of employment or business shall not misrepresent pertinent facts concerning employers, employees, associates, joint ventures or past accomplishments.

(b) Registrants shall not offer, give, solicit or receive, either directly or indirectly, any commission, gift, or other valuable consideration in order to secure work, and shall not make any political contribution with the intent to influence the award of a contract by a public authority.

(c) Registrants shall not attempt to injure, maliciously or falsely, directly or indirectly, the professional reputation, prospects, practice or employment of other registrants, nor indiscriminately criticize other registrants' work.

12.6. Actions brought against applicants.

A registered PE who has been fined, received a reprimand, or had his or her registration revoked, suspended or denied in another jurisdiction for reasons or causes which this Board finds would constitute a violation of the law governing the practice of engineering in this state or any rule promulgated by this Board, is sufficient cause for the Board to levy a fine, reprimand, or deny, revoke or suspend a registration to practice engineering by the registrant in this state. Any such actions by other jurisdictions shall be reported on the renewal form. For purposes of this section, "another jurisdiction" means any other governing entity, including a licensing board for another profession.

§7-1-13. Fees Generally.

13.1. The fees listed in this section are payable to the West Virginia State Board of Registration for Professional Engineers unless charged by and payable to NCEES. Fees based upon NCEES charges may be obtained from the Board website or the NCEES website. Fees shall be paid by check, money order, credit card or electronic payment and are non-refundable.

13.2. Timing of Submission of Fees. Any PE registration or COA application fee received prior to October 1 will entitle the approved PE or COA to be placed in good standing through the current renewal period. Registration or COA fees received on or after October 1 shall be effective through the next renewal period.

13.3. Renewal Fees.

(a) The Board shall notify each registrant or firm at least thirty days prior to the expiration date of the amount of the renewal fee for the next renewal period.

(b) A registrant or firm shall pay renewal fees on or before December 31st of the year of expiration.

(c) A renewal postmarked or submitted online between January 1 through 31 after the expiration date is considered late, and the Board shall assess a late fee set forth in subsection 13.4 of this rule.

(d) Any renewal postmarked or submitted online on or after February 1st will be rejected, any fee returned, and the registration or COA will be re-designated as lapsed without further action by the Board.

13.4. Fee Amounts. The fees for various services provided by the Board are:

Engineering Intern	
Application Fee	$25.00
Examination Fee	As charged by NCEES
Professional Engineer	
Application Fee	$80.00
Examination Fee	As charged by NCEES
Re-examination Fee	As charged by NCEES
Certificate Fee	$25.00
Comity Application Fee	$150.00
Certificate of Authorization	
Application Fee for Sole Proprietor with no employees	$ 0.00
Application Fee for Firm with three or fewer Professional Engineers*	$100.00
Application Fee for Firm with four or more Professional Engineers*	$150.00
Two-Year Renewal Fee	
Professional Engineer	$70.00
Professional Engineer-Retired	$30.00
COA for Sole Proprietor with no employees	$ 0.00
COA for Firm with three or fewer Professional Engineers*	$100.00
COA for Firm with four or more Professional Engineers*	$500.00
Late fee	25% of fee
Reinstatement Applications	
Professional Engineer	$185.00

Replacement Certificates	$ 25.00
Returned Checks	$ 25.00

* *Regardless of the PE's state of registration or licensure*

** *Available for free download on the Board web site*

13.5. Late Fees on Renewals. A renewal postmarked or submitted online after the date of expiration is considered late, and the Board shall assess the registrant a late fee in the amount of twenty-five percent (25%) of the renewal fee.

13.6. Fee Waivers.

(a) Fees set forth in this section may be waived in accordance with Board policy.

(b) Low-income individuals, as defined in this rule, may seek a waiver of the initial PE or comity application fee for licensure and must apply in a format prescribed by the Board. If the application is complete and it evidences that the applicant is a low-income individual as defined in §7-1-2.13 of these rules, the Board shall waive the application fee.

(c) Military families, as defined in this rule, may seek a waiver of the initial PE or comity application fee for licensure and must apply in a format prescribed by the Board. If the application is complete and it evidences that the applicant is a person meeting the description of military families as defined in §7-1-2.14 of these rules, the Board shall waive the application fee.

§7-1-14. Board Enforcement, Investigations, Disciplinary Actions and Costs.

14.1. Enforcement. Any person or entity who violates any of the provisions of W. Va. Code §30-13-1 et seq. or these rules is subject to the provisions of W. Va. Code §§30-13-21 through 23, as well as the penalties outlined in §7-1-15 of these rules. The Board may take disciplinary action against any person or firm subject to the provisions of W. Va. Code §30-13-1 et seq. and these rules for any non-compliance with or violation of same in accordance with the procedures set forth in W. Va. Code §30-13-22 and the procedural rules adopted by the Board and on file with the Secretary of State.

14.2. Investigations. The Board shall have the power to investigate any complaint filed with the Board and any other matter brought to the attention of the Board regarding noncompliance with the provisions of W. Va. Code §30-13-1 et seq. and these rules.

14.3. Disciplinary Action. Upon Board decision that disciplinary action is warranted, the Board may take such action as is provided for in W. Va. Code §§30-13-21 through 23, these rules, and any Board policies not inconsistent with such applicable law, including the imposition of civil penalties as set forth in §7-1-15 below.

14.4. The Board may assess administrative costs incurred in the performance of its enforcement or investigatory activities against any person or entity who violates the provisions referenced in subsection 14.1 of this rule, which shall be paid to the West Virginia State Board of Registration for Professional Engineers by check or money order within the time prescribed or approved by the Board.

§7-1-15. Civil Penalties.

15.1. The Board may enter an order assessing the appropriate civil penalties against any person or firm found by the Board to have violated the provisions of W. Va. Code §30-13-1 et seq. or these rules including but not limited to, the following for each offense:

Action	Penalty Up To
Practicing or offering to practice without a license, including a license designated as nonpracticing status	$5,000
Practicing or offering to practice without a COA, including an expired COA	$5,000
Misuse of seal	$5,000
Illegal advertising of engineering services	$5,000
Fraud, deceit, misrepresentation or misinformation to the Board	$15,000
Violation of condition of probation	$5,000
Misfeasance or malfeasance	$1,000
Professional misconduct, negligence or incompetence	$1,000
Action which is likely to deceive or defraud the public	$15,000
Action which threatens the public health, safety and welfare	$15,000
Failure to timely provide information to Board	$1,000
Non-compliance with Board request or order	$1,000
General (violation of applicable statute & rules, including W.Va. Code §30-13-21 or the Rules of Professional Responsibility set forth in these rules)	$5,000

15.2. The penalty for aiding and assisting any of the above violations shall be no more than the maximum penalty defined above. The penalty for discipline by another jurisdiction shall be no more than the penalty set forth above that is substantially equivalent to the grounds for discipline in the other jurisdiction.

15.3. Each day of continued violation may constitute a separate offense.

15.4. In determining the amount of civil penalty to be assessed pursuant to this section, the Board may consider such factors as the following.

- **(a)** Whether the amount imposed will be a substantial economic deterrent to the violation;
- **(b)** The circumstances leading to the violation;
- **(c)** The nature and severity of the violation and the risk of harm to the public;
- **(d)** The history of previous violations;
- **(e)** The extent to which the cited person or firm has cooperated with the Board and the Board's investigation;
- **(f)** The economic benefits gained by the violator as a result of non-compliance;
- **(g)** The interest of the public;
- **(h)** Other matters as may be appropriate.

15.5. Civil penalties imposed by the Board shall be paid to the West Virginia State Treasurer's Office by check or money order within the time prescribed or approved by the Board.

§7-1-16. Board Policies.

16.1. The Board is authorized to establish policies and procedures not inconsistent with W. Va. Code §30-13-1 et seq. and these rules.

§7-1-17. Severability.

17.1. If this Rule, or any part of this Rule, is found by the courts to be invalid for any reason, the remainder of the Rule continues in full force and effect and each and every part of the Rule is severable.

ADMINISTRATIVE HEARING PROCEDURES

§7-2-1. General.

1.1. Scope. — This rule specifies the procedure for Resolution of complaints relating to the practice of engineering in this State pursuant to the authority granted to the West Virginia State Board of Registration for Professional Engineers by W. Va. Code §30-13-1 et seq.

1.2. Authority. — W. Va. Code §30-13-1 et seq. and §30-1-1 et seq.

1.3. Filing Date. — June 22, 2004.

1.4. Effective Date. — July 23, 2004.

§7-2-2. Complaints.

2.1. Submission.

(a) Form. The form of complaints shall be determined by the Board. All complaints shall be in writing and verified by the complainant before a notary public.

(b) Who may submit. A complaint may be submitted by any natural person or legal entity, any registered engineer, or any firm holding a certificate of authorization. A complaint may be submitted by the Board, a member of the Board staff, with or without direction from the Board, or a member of the Board. Charges may be based upon information received solely through investigative activities undertaken by the Board.

2.2. Filing.

(a) The applicable statute provides for disposition of a complaint if trivial, unfounded, or settled informally. Unless in the opinion of at least one member of the Board the alleged situation which is the subject of a

complaint presents an imminent danger to health or safety, a complaint will be deemed received and filed only upon the majority vote of the Board members present and meeting in general session. Until such action, the complaint will be on the agenda for each meeting until resolved informally or filed. During the period before a complaint is deemed filed, the Board may take appropriate action, upon motion and consistent with the applicable statutes, to investigate and settle the complaint informally.

(b) A complaint will not be considered by the Board until an original is delivered to and logged in and numbered by the Board Administrator at Charleston during normal business hours. Facsimile and other electronic transmission of complaints will be accepted for filing, provided originals are delivered to the Board Administrator within fourteen (14) days thereafter.

2.3. Notice to Respondent. The Board Administrator shall give notice of the filing of a complaint to any and all respondents named in the complaint. Such notice shall be by certified mail, return receipt requested, to the respondent at his, her, or its last known address or in a manner consistent with the rules for service of process under the West Virginia Rules of Civil Procedure. A return of service shall be completed by the person effecting service and filed with the Board.

2.4. Response to Complaints. The respondent may file, within thirty days after service of the complaint, a responsive pleading which shall state with particularity every defense in law or fact to the allegations in the complaint. Every responsive pleading shall be verified by the respondent.

2.5. Failure to File Response. The failure to file a response to the complaint shall be deemed an admission of the factual allegations contained therein. The failure to file a response shall not be grounds for delaying hearing or other action upon the complaint.

2.6. More Definite Statement. The Board or a respondent may request a clarification or more definite statement of the allegations in the complaint. A respondent's request for a more definite statement shall be filed with the Board not less than fifteen days before the hearing date. The Board's request may be issued to a complainant at any time, and the complainant shall respond within seven days of service of the request by the Board. Failure of a complainant to respond timely to such request may be grounds for dismissal of the complaint.

§7-2-3. Hearing Panel.

3.1. Hearing Panel.

(a) Complaints regarding persons licensed by the Board and complaints regarding unlawful practice of engineering in this State or a request for hearing regarding licensure or issuance of a certificate of authorization shall be heard and decided by the Board as a whole sitting as a Hearing Panel, except that any member of the Board who has a conflict of interest with regard to a particular complaint may decline to participate

in such proceedings. Recusal is mandatory in any proceeding in which a judge, similarly situated, would be required to exercise recusal. The filing of a complaint by a Board member will not automatically be grounds for recusal. Recusal shall not prevent a Board member from testifying as a witness.

(b) If recusals result in there being less than a quorum, the remaining unrecused members of the Board shall appoint a registered professional engineer who is not a member of the Board for each recused member to serve solely for the purposes of hearing and deciding such complaint.

(c) The Hearing Panel shall conduct hearings, make findings of fact and conclusions of law, and issue administrative decisions and orders to enforce the provisions of W. Va. Code §30-13-1 et seq.

3.2. Location of Hearing Proceedings. Unless otherwise ordered by a majority vote of the Board, all hearings shall be heard at Charleston.

3.3. Quorum. A quorum shall consist of not less than three members of the Hearing Panel.

3.4. Presiding at Hearings.

(a) The President of the Board shall serve as the presiding officer at hearings. In the event of the President's recusal, the Hearing Panel shall elect a presiding officer from among themselves who will preside for hearings on that complaint.

(b) The presiding officer shall have the power to (1) administer oaths and affirmations, (2) rule upon offers of proof and receive relevant evidence, (3) regulate the course of the hearing, (4) hold conferences for the settlement or simplification of the issues by consent of the parties, and (5) dispose of procedural requests or similar matters.

3.5. Privilege and Immunity. All information provided, including documents and testimony given with respect to any complaint, investigation or proceeding under these rules, shall be privileged in any action for defamation or the like. All members of the Board, its counsel, and their employees shall be absolutely immune from civil suit in the same manner as members of the judiciary in the State for any conduct in the course of their official duties.

§7-2-4. Procedural Rules for Hearings.

4.1. Notice of Hearings.

(a) Within sixty (60) days of filing complaint, the presiding officer shall set a hearing date and time. Notice of the hearing date and time shall be served on respondent and counsel for respondent, if any, by first class mail addressed to the last known mailing address of such person. Such notices shall be mailed not less than thirty (30) days before the hearing date. All complaints, unless dismissed by the Board as unfounded, trivial or settled informally, shall be heard within six months after the date each complaint was received and filed.

(b) Hearings may be rescheduled by the presiding officer and, once begun, continued from time to time, for cause shown as the interests of justice may require.

4.2. Prehearing Matters. The presiding officer, with or without the request of a party, may schedule a prehearing conference to narrow the issues to be heard, to estimate the time which will be required for the hearing, rule upon prehearing motions, and, when appropriate, negotiate informal disposition of the complaint.

4.3. Hearings Generally.

(a) Conduct and Order of Hearing.

(1) Upon calling on for hearing any complaint, the presiding officer may cause the complaint to be read and shall offer the respondent the opportunity to reply. The Hearing Panel may receive evidence from its investigator or staff. Respondent, directly or by counsel, may present evidence in defense against the complaint. All testimony given shall be subject to cross-examination by the opposing party. The Board may receive rebuttal evidence after respondent's presentation. Any member of the Hearing Panel may inquire to any witness at any time.

(2) After the receipt of all evidence, respondent and Board staff, directly or by counsel, may be allowed to make closing arguments.

(3) If the respondent is not a natural person, the respondent shall be represented by counsel. The Board or its staff may be represented by counsel.

(4) Failure of the respondent to appear, without cause, shall not result in delay or postponement of the hearing.

(b) The Record. The record of a hearing shall consist of the testimony and documentary and physical evidence admitted into evidence by the Hearing Panel, all judicially cognizable facts so noticed, and the administrative decision or order ruling upon the complaint. All hearing proceedings on the record shall be recorded by stenographic means. Any party may obtain a transcript of the proceedings at the party's expense.

(c) Testimony. Witnesses shall testify under oath or affirmation.

(d) Evidence.

(1) The West Virginia Rules of Evidence shall apply. Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under those rules, evidence not admissible thereunder may be admitted, except where precluded by statute, if it is of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs. The Hearing Panel shall be bound by the rules of privilege recognized by law. Objections to evidentiary offers and the ruling thereupon shall be noted in the record. Any party to any such hearing may vouch the record as to any excluded testimony or other evidence.

(2) Only the evidence admitted into the record and judicially cognizable facts so noticed shall be considered in the determination of the complaint.

(3) Depositions may be taken and read or otherwise received as evidence in accordance with Rules 30 and 32 of the West Virginia Rules of Civil Procedure.

(e) **Conformance.** Upon motion of any member of the Hearing Panel or any party assigning error or omission in any part of any transcript, the presiding officer shall settle all differences arising as to whether such transcript truly discloses what occurred at the hearing and shall direct that the transcript be corrected as appropriate so as to make it conform to the truth.

(f) **Deliberations.** Hearing Panels may deliberate and issue decisions in person, by telephone conference, or by written correspondence, including electronic communications.

(g) **Open Meetings and Executive Sessions.** Pursuant to W.Va. Code §6-9A-1, the Board may by majority vote hold hearings under these rules in executive session unless the respondent requests an open meeting. In any event, the vote upon the final decision of the Hearing Panel shall be in open session.

4.4. **Standard of Proof.** To impose any sanction or penalty, the findings of the Hearing Panel in support thereof must be proved by a preponderance of the evidence.

4.5. **Subpoena and Contempt Power.** The Hearing Panel shall have power to issue subpoenas or any other lawful process through the presiding officer at the request of any party. Subpoenas may be issued for attendance of witnesses or the production of documentary evidence. Subpoenas and other process may be served in accordance with the West Virginia Rules of Civil Procedure. All witnesses shall be entitled to such witness fees and expenses as in any civil proceeding in this State. The Hearing Panel may apply to any circuit court for an order requiring any person to comply with the presiding officer's directions in maintaining order at a hearing or to compel compliance with subpoenas.

4.6. **Criminal Convictions.**

(a) An engineer who has been convicted of a crime that reflects adversely on the engineer's honesty, trustworthiness or fitness as an engineer, or of any felony, shall, within thirty days of entry of the order or judgment of conviction, forward a copy of the order or judgment to the Board's Administrator. A plea or verdict of guilty or a conviction after a plea of nolo contendere shall be deemed to be a conviction within the meaning of this rule. Any other person may file a copy of the order or judgment with the Board.

(b) Upon receipt of the order or judgment, which shall be conclusive evidence of the guilt of the crime or crimes of which the engineer has been convicted, the Board Administrator shall treat the order or judgment as a complaint for misconduct and violation of professional responsibility.

(c) A respondent may present evidence and argument in support of mitigation based on, but not limited to, the nature of respondent's misconduct, surrounding facts and circumstances, previous ethical violations, the willfulness of the conduct, and the adequacy of respondent's previous opportunity to present evidence.

4.7. Reciprocal Discipline.

(a) A final adjudication in another jurisdiction, whether state or federal, of misconduct constituting grounds for discipline of a registered professional engineer in that jurisdiction or a voluntary surrender of a license to practice engineering in connection with a disciplinary proceeding in that jurisdiction shall, for the purposes of proceedings under these rules, conclusively establish such conduct.

(b) A registrant in this State against whom any form of public discipline has been imposed by the authorities of another jurisdiction, whether state or federal, or who voluntarily surrenders his or an aggravating factor in any subsequent disciplinary proceeding. Any other person may notify the Board of such action by submitting a complaint.

(c) If the registrant intends to challenge the validity of the disciplinary order entered in the foreign jurisdiction or the voluntary surrender of his or her license to practice engineering in connection with a disciplinary proceeding, the registrant must request a formal hearing and file with the Board a full copy of the record of the disciplinary proceedings which resulted in imposition of the disciplinary order or the voluntary surrender of a license to practice engineering.

§7-2-5. Disposition of Complaints.

5.1. Administrative Decisions and Orders.

(a) Any party may submit proposed findings of fact and conclusions of law as permitted in the discretion of the presiding officer.

(b) After a hearing upon a complaint is completed, including an instance in which the respondent defaults, the Hearing Panel may make findings of fact and conclusions of law and shall issue the appropriate administrative decision or order.

(c) The Hearing Panel may make findings of fact and conclusions of law in connection with the hearing and in conformity with applicable law notwithstanding the failure of the complaint to allege the grounds therefor.

(d) Informal disposition may also be made of any complaint by stipulation, agreed settlement, or consent order provided, however, that a hearing upon any pending complaint set pursuant to Rule 4.0 shall not be cancelled other than by a respondent's acceptance of such proposed informal disposition.

(e) All dispositions of complaints shall be signed by the presiding officer. A copy shall be maintained in the permanent records of the Board.

(f) The official determination of the Hearing Board shall be made by majority vote of the Hearing Panel. The presiding officer shall vote in every matter but shall reserve his vote to the last. Any minority of the Hearing Panel may preserve its opinion in written form submitted at or not less than ten days after the entry of the majority's administrative decision or order.

(g) A copy of the administrative decision or order shall be served upon each party and his counsel in person or by registered or certified mail within five days after entry by the presiding officer.

5.2. Unlawful Practice. In addition to disciplinary actions authorized by W. Va. Code §30-13-21, if the administrative decision or order finds that the respondent is engaging in the practice of engineering in this state without being registered, the Board may request the prosecutor of any county to prosecute the respondent pursuant to W. Va. Code §31-13-23 or the Board may file a complaint seeking an injunction to enforce the provisions of W. Va. Code §31-13-1 et seq. Nothing in these rules shall prohibit the Board from requesting prosecution or seeking an injunction without prior notice and opportunity for hearing to the person who is believed to be in violation.

Other Relevant Code Sections and Related Rules

Chapter 5G - Procurement of Architect-Engineer Services by State and Its Subdivisions

§5G-1-1 et seq. – Requires procurement of architectural and/or engineering services on the basis of demonstrated competence and qualifications for the type of professional service required (also known as Qualification-Based Selection or QBS). Applicable to all state agencies, including quasi-public corporations, and all political subdivisions (cities, counties, boards of education and public service districts).

Chapter 6 - Open Governmental Proceedings

§6-9A-1 et seq. – Also known as "**The Sunshine Law,**" the open meetings law applies to the WV PE Board and all governing bodies of public agencies. As required by that act, notices of all meetings of the WV PE Board are published in the State Register at least five days before the meeting and also posted under Meeting Notices on the WV Secretary of State's website.

Chapter 21A - Unemployment Compensation

§21A-2-6(17) – This code section required the Employment Programs Bureau Commissioner to promulgate rules prohibiting state agencies from granting, issuing or renewing a license, certificate or other authority to conduct a trade, profession or business whose unemployment compensation account is in default. See Title 96, Series 1 of the Code of State Rules.

Chapter 23 - Workers' Compensation

§23-1-1b(g)(16) – This code section required [now the Insurance Commissioner] to promulgate rules prohibiting state agencies from granting, issuing or renewing a license, certificate or other authority to conduct a trade, profession or business whose workers' compensation account is in default. See Title 85, Series 32 of the Code of State Rules.

Chapter 29A - State Administrative Procedures Act

Some of the articles of particular relevance to the WV PE Board and its licensees are:

§29A-1-1 et seq. Definitions and Application of Chapter - Applicable to all WV agencies (boards, commissions, departments, offices and officers) of the executive branch of government.

§29A-3-1 et seq. Rule Making – Explains the differences in legislative, emergency, procedural and interpretive rules and sets forth the requirements for adopting each type.

§29A-5-1 et seq. Contested Cases and **§29A-6-1 et seq.** Appeals – The procedures set forth here may be applicable if there are no more specific procedures in WV Engineering Law or in §30-1-8 (procedures applicable to all licensing boards).

Chapter 29B - Freedom of Information Act

West Virginia's open records law requires that public records must be made available upon request. All public bodies are subject to the law, including the WV PE Board. The act defines public records, exempts certain records, and sets forth procedures for requesting and obtaining the records and enforcing the act.

Chapter 30 - Professions and Occupations

§30-1-1 et seq. – These general provisions are applicable to all WV professional licensing boards and address several topics such as meetings, disciplinary proceedings, and other powers and duties of licensing boards.

Chapter 48 - Domestic Relations

§48-15-1 et seq. – Enforcement of Support Order Through Action Against License, including **§48-15-303** – License applicant must certify, under penalty of false swearing, information regarding any child support obligation, and action may be taken against a licensee for failure to pay child support or appear at certain proceedings.
