

**BEFORE THE WEST VIRGINIA STATE BOARD OF
REGISTRATION FOR PROFESSIONAL ENGINEERS** WV PE BOARD

IN RE: SOUTHERN CORROSION, INC.

C2022-10

CONSENT ORDER

Comes now the West Virginia State Board of Registration for Professional Engineers by Garth E. Thomas, Jr., P.E., its President, (hereinafter “the Board”) for the purpose of agreeing to resolve a Complaint seeking disciplinary action against Southern Corrosion, Inc. (hereinafter “Respondent Firm”). As reflected in this document, the parties have reached an agreement concerning the proper disposition of this matter, and the Board, upon approval of this agreement, does hereby **FIND** the following:

1. Respondent Firm is a corporation organized under the laws of the State of North Carolina, with its principal place of business in Roanoke Rapids, North Carolina.
2. In August 2021, Respondent Firm applied for a Certificate of Authorization to practice engineering or to offer to practice engineering in West Virginia (COA# C06548), and it was activated on August 23, 2021.
3. Respondent Firm on its application for a COA answered “No” to the question, “Has this firm ever been subject to any disciplinary action or any investigation by any local, state or national regulatory body (including WV)?”
4. Thereafter, information received by the Board revealed that on or about May 9, 2017, Respondent Firm had been disciplined by The State of Alabama Board of Licensure for Professional Engineers and Land Surveyors. This disciplinary action was not reported to the Board by Respondent Firm in the aforesaid application.
5. This resulted in a Board-initiated investigation, which was the basis of the Board’s Complaint which set forth allegations that Respondent Firm had, or attempted to, perpetrate fraud and/or deceit in obtaining a Certificate of Authorization, and that Respondent Firm had provided false testimony or information to the Board.

6. The Board initiated Complaint Number C2022-10 at its regular meeting on November 16, 2021, which was received and filed by the Board on said date.
7. Respondent Firm admits that it failed to answer the COA application question “Has this firm ever been subject to any disciplinary action or any investigation by any local, state or national regulatory body (including WV)?” in the affirmative. Respondent Firm contends that the said answer was an inadvertent error, and not intentional fraud or deceit.
8. The Board and Respondent Firm have agreed to settle this matter in lieu of Respondent Firm filing a formal Response.

CONCLUSIONS OF LAW

9. The Board is the state entity with the power and duty to regulate the practice of engineering in the State of West Virginia, and matters related to such practice are within the jurisdiction of the Board. W. Va. Code §30-13-1 *et seq.*
10. It is unlawful for any person to provide false testimony or information to the Board, in violation of the provisions of West Virginia engineering law. W. Va. Code §30-13-21(a)(12).
11. Providing misinformation to the Board may subject any person or firm to discipline by the Board, including a civil penalty up to Fifteen Thousand dollars (\$15,000.00) for each offense. W. Va. Code R. §7-1-15.1.
12. The Board is authorized to “assess civil penalties against any person who violates any provision of this article or any rule promulgated by the board for each offense in an amount determined by the board.” W. Va. Code §30-13-21(b); see also W. Va. Code §30-13-21(d)(4).
13. In determining the amount of a civil penalty to be assessed, the Board may consider such factors as the circumstances leading to the violation; the nature and severity of the violation and the risk of harm to the public; the extent to which the cited person or firm has cooperated with the Board and the Board’s investigation; and other matters as may be

appropriate. W. Va. Code R. §7-1-15.4.

14. The assessment of administrative costs is within the Board's sole discretion. W. Va. Code §30-13-21(d)(4) and W. Va. Code R. §7-1-14.4.

CONSENT OF RESPONDENT FIRM

James Skilton, President of Respondent Firm, who has the power and authority to make admissions and otherwise act on behalf of Respondent Firm by affixing his signature hereon, agrees to the following on behalf of Southern Corrosion, Inc.:

15. Respondent Firm is aware of its rights to be represented by counsel in this matter and to pursue this matter through appropriate administrative and/or court proceedings, including its right to a formal hearing before the Board, and after having the opportunity to consult with its counsel, Respondent Firm knowingly, freely, voluntarily, and without any threat of harm or act of coercion, waives its rights to a formal hearing and any subsequent appeal therefrom, and enters into this Consent Order to resolve Complaint, C2022-10; provided the Board accepts the terms and conditions set forth in this Consent Order.
16. Respondent Firm acknowledges that this Consent Order is being executed for the purpose of avoiding further administrative action with respect to the above-styled matter. In this regard, Respondent Firm authorizes the Board to review and examine all investigative file materials concerning Respondent Firm's activities in West Virginia in consideration of this Consent Order.
17. Respondent Firm acknowledges that the Complaint and this Consent Order are public records which, together with public documents in the file, must be made available upon request in accordance with the State's Freedom of Information Act.
18. Should the Board not approve this Consent Order, Respondent Firm waives any objections to the Board or any of its members participating in the adjudication of this matter. This paragraph is binding on Respondent Firm even if the Board does not approve this Consent Order.

19. Respondent Firm acknowledges that the Board may reject this proposal, notice and hold a hearing, and, upon adjudication, impose such sanctions of a disciplinary nature as it deems appropriate.
20. If the Board does reject this proposal, any admissions made herein by Respondent Firm are deemed null and void.
21. Respondent Firm understands that this Consent Order constitutes a full and final settlement of this matter, and nothing in this Consent Order or the circumstances giving rise to the same may be the subject of any appeal or other civil or administrative actions except an action by the Board to enforce the terms of this Consent Order, but that nothing in this Consent Order prohibits the Board from considering this disciplinary action or the circumstances giving rise to same with regard to any future disciplinary matter involving Respondent Firm which may be before this Board.
22. Respondent Firm acknowledges that non-compliance with this Consent Order may result in the rescission of this agreement, the reinstatement of the Complaint, the summary revocation, non-renewal or non-reinstatement of any Certificate of Authorization issued to Respondent Firm by the Board, and the addition of any other charges which may arise or ensue from Respondent Firm's non-compliance with this Consent Order.
23. Respondent Firm acknowledges that proof of any material misstatement or misrepresentation made in connection with this matter will result in the rescission of this agreement, the reinstatement of the Complaint, the summary revocation, non-renewal or non-reinstatement of any Certificate of Authorization issued to Respondent Firm by the Board, and the addition of any other charges which may arise or ensue from providing false information to the Board in violation of West Virginia engineering law.

ORDER

10 pursuant to West Virginia Code §30-13-22(b).

2. By agreement of the parties, the Board's allegation that Respondent Firm perpetrated fraud and/or deceit prohibited by W. Va. Code §30-13- 21(a)(1) is hereby dismissed by the Board. Respondent Firm admits that it provided misinformation to the Board in violation of W. Va. Code §30-13- 21(a)(12).
3. The Board has taken into account the following factors in reaching this settlement: the violation did not pose harm to the public; Respondent Firm was in good standing with the Board prior to the service of this Complaint upon Respondent Firm; and Respondent Firm has cooperated in the resolution of this Complaint.
4. The Board, in its discretion, will not assess administrative costs although it is within its power to assess such costs and administrative costs were incurred in the investigation, initiation and resolution of this complaint.
5. Respondent Firm shall pay a civil penalty in the amount of Five Hundred Dollars (\$500.00) for providing misinformation to the Board in its application for a Certificate of Authorization.
6. The civil penalty imposed herein totaling Five Hundred Dollars (\$500.00) must be paid within thirty (30) days of the date of entry set forth below, such amount to be made payable to the "**W. Va. P.E. Board**" for transfer to the general fund of the State of West Virginia upon receipt.

8. Any violation of the terms of this Consent Order shall be immediate cause for further disciplinary action by the Board.

9. If the civil penalty imposed herein is not paid within thirty (30) days of the date of entry set forth below, then Respondent Firm's COA is hereby **ORDERED REVOKED**. Said revoked COA may be restored once the civil penalty is paid, and Respondent Firm pays the appropriate fees, and is otherwise in good standing with the Board. West Virginia Code §30-13-21(d)(1).
10. This Consent Order may be summarily enforced in the Circuit Court of Kanawha County, West Virginia, without further notice to Respondent Firm upon application by the Board for the entry of a Judgment Order for the total amount of payment agreed to herein of Five Hundred Dollars (\$500.00) together with pre-judgment interest from the date of the Board President's signature hereon, post-judgment interest from the date of entry of the Judgment Order, and all costs of any enforcement action(s), which judgment shall be fully executable in accordance with applicable law.
