Thomas, Jr., P.E., its President, (hereinafter “the Board”) for the purpose of agreeing to resolve a Complaint seeking disciplinary action against Nucor Corporation (hereinafter “Respondent Firm”). As reflected in this document, the parties have reached an agreement concerning the proper disposition of this matter, and the Board, upon approval of this agreement, does hereby **FIND** the following:

2. Respondent Firm is a corporation organized under the laws of the State of Delaware, with its principal place of business in Charlotte, North Carolina.
3. Respondent Firm did not possess a Certificate of Authorization (hereinafter “COA”) prior to January 19, 2023, the date Respondent Firm’s COA (COA# C06829) was activated.
4. State law requires a provider of engineering services to possess a COA in order to practice engineering or to offer to practice engineering in West Virginia.

On the application Respondent Firm self-reported that it had provided engineering drawings for pre-engineered buildings which it manufactured and which were to be erected or constructed by third parties in West Virginia.
6. This resulted in a Board-initiated investigation, which was the basis of the Board’s Complaint which set forth allegations that Respondent Firm had practiced engineering in West Virginia without the required COA.

7. The Board initiated Complaint Number C2023-17 at its regular meeting on March 21, 2023, and it was received and filed by the Board on said date.
8. The Complaint was served upon the Respondent Firm on or about March 23, 2023.
9. The Board and Respondent Firm have agreed to settle this matter through the entry of this Consent Order, wherein, Respondent Firm would forego its right to an administrative hearing, and its right to appeal, by making certain admissions set forth herein.
10. Respondent Firm will admit that it provided engineering services in West Virginia without the required Certificate of Authorization.
11. The Board has taken into account the following factors in reaching this settlement: the Response of Respondent Firm; the practice of engineering services did not pose a harm to the public; Respondent Firm applied for and received a COA and it was in good standing with the Board prior to the service of this Complaint upon Respondent Firm; and Respondent Firm has cooperated in the resolution of this Complaint.
12. The Board, in its discretion, will not assess administrative costs although it is within its power to assess such costs and administrative costs were incurred in the investigation, initiation and resolution of this complaint.
